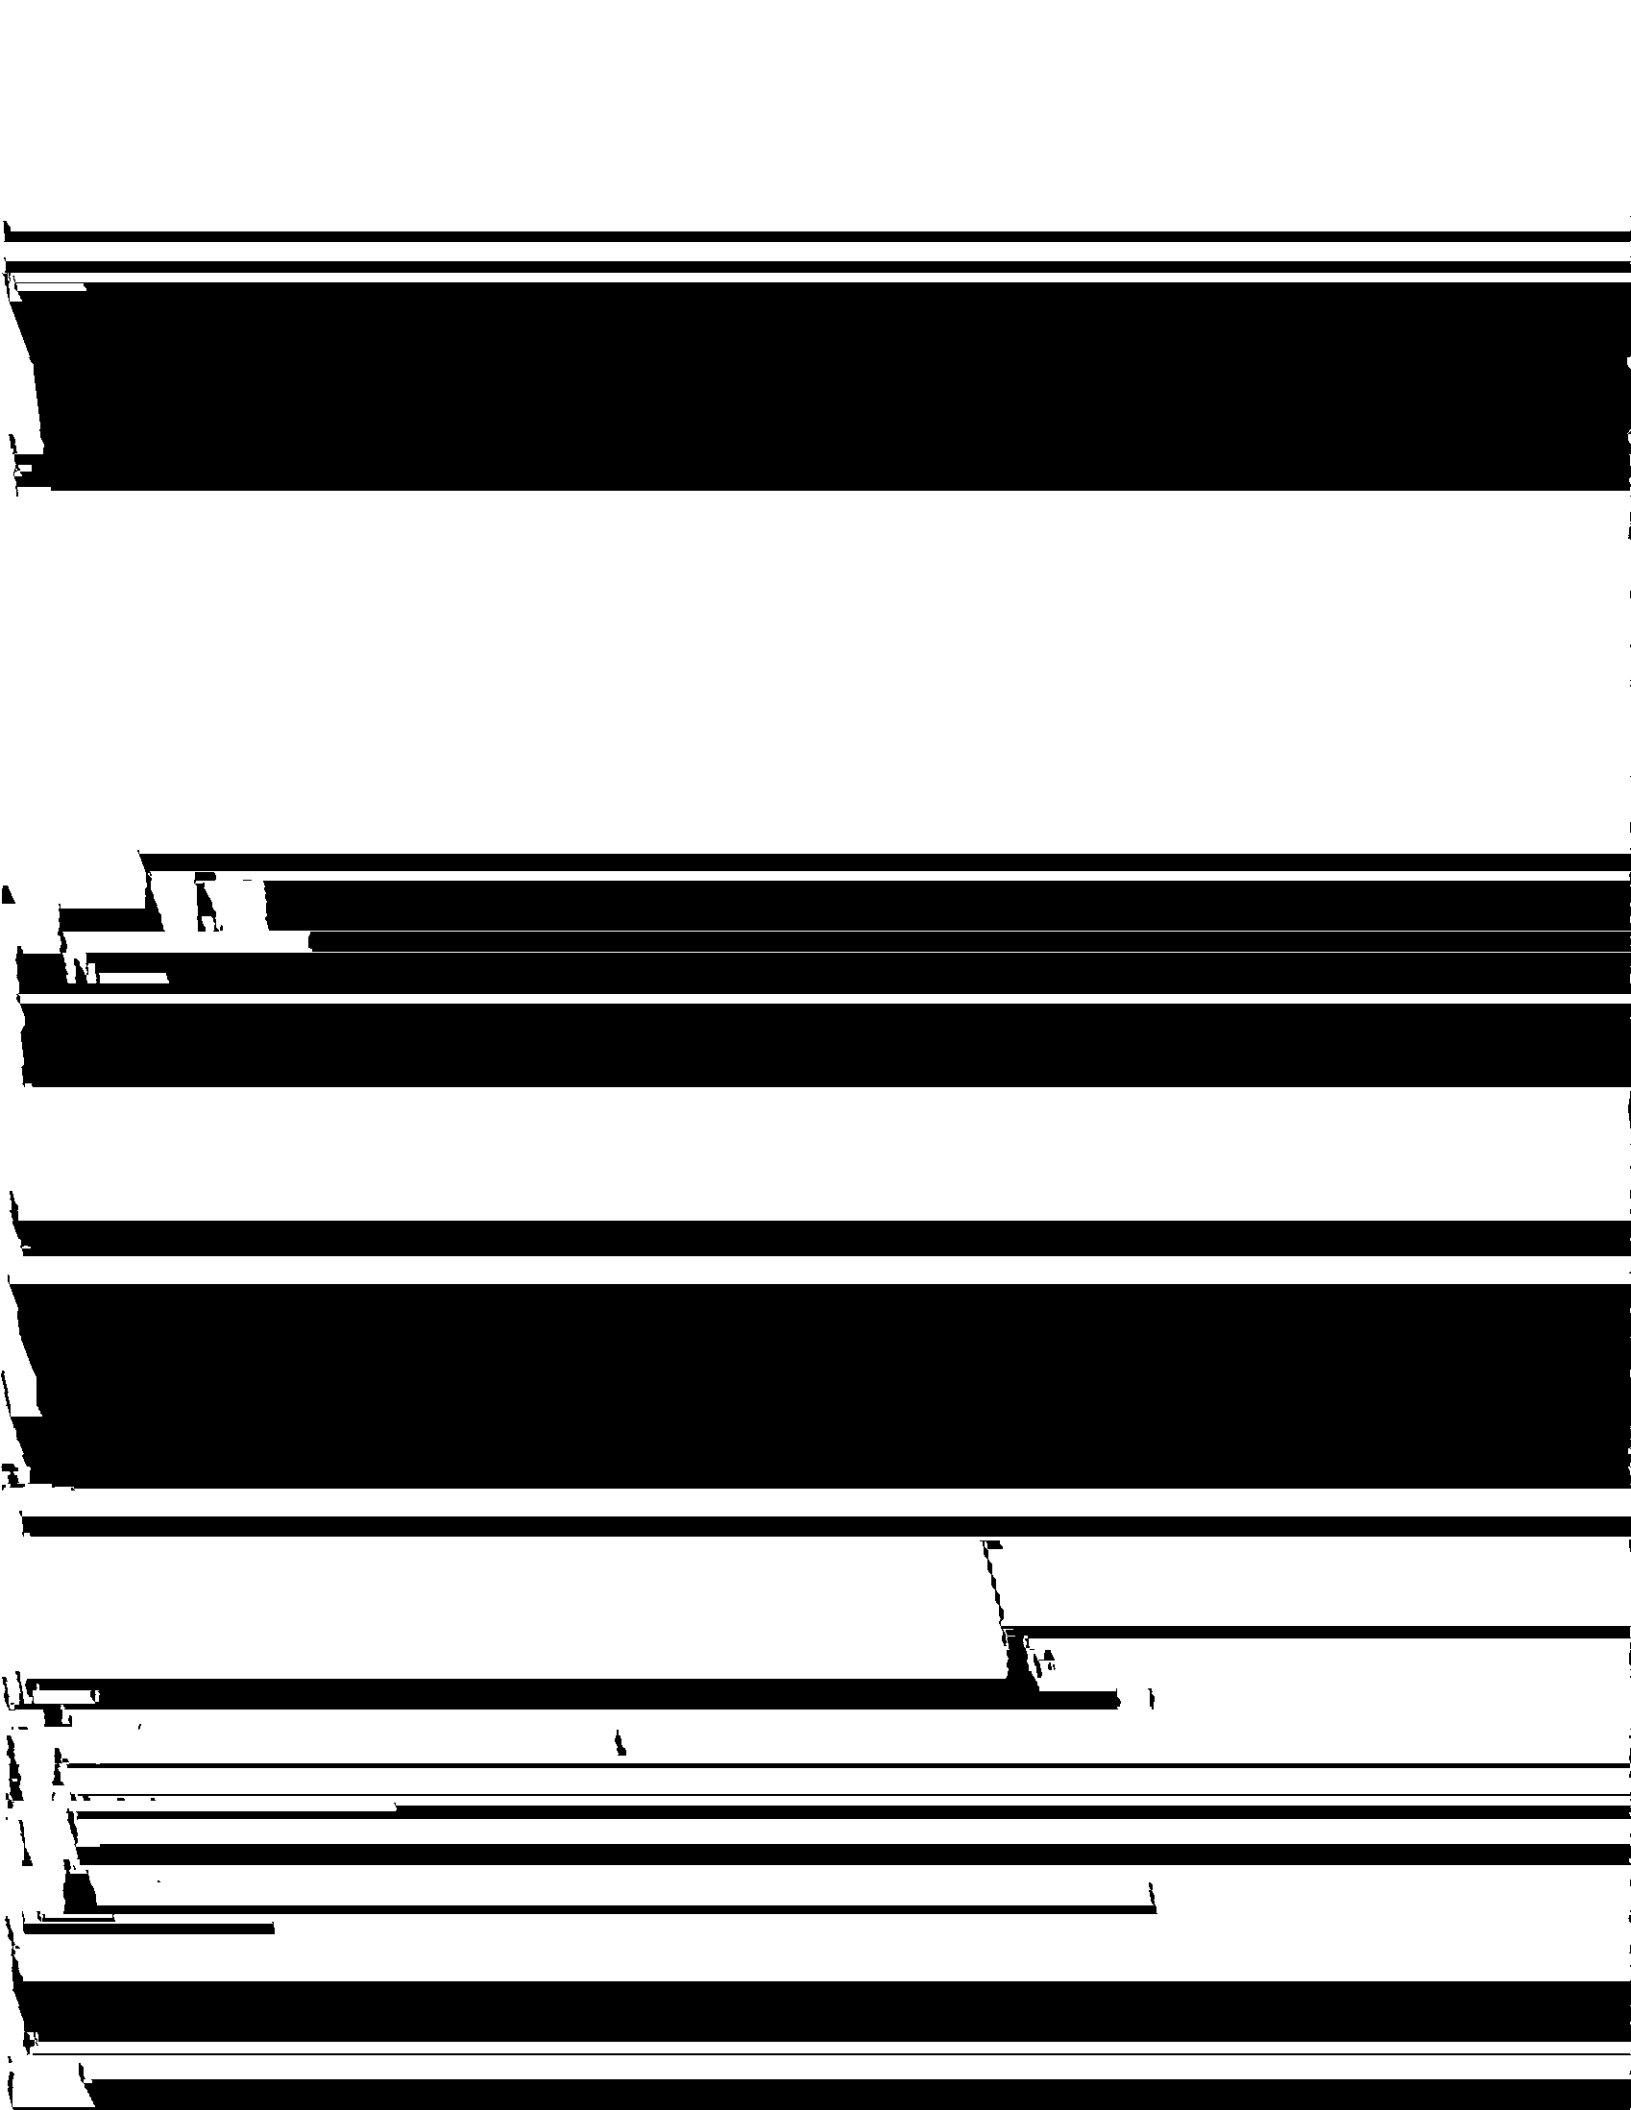

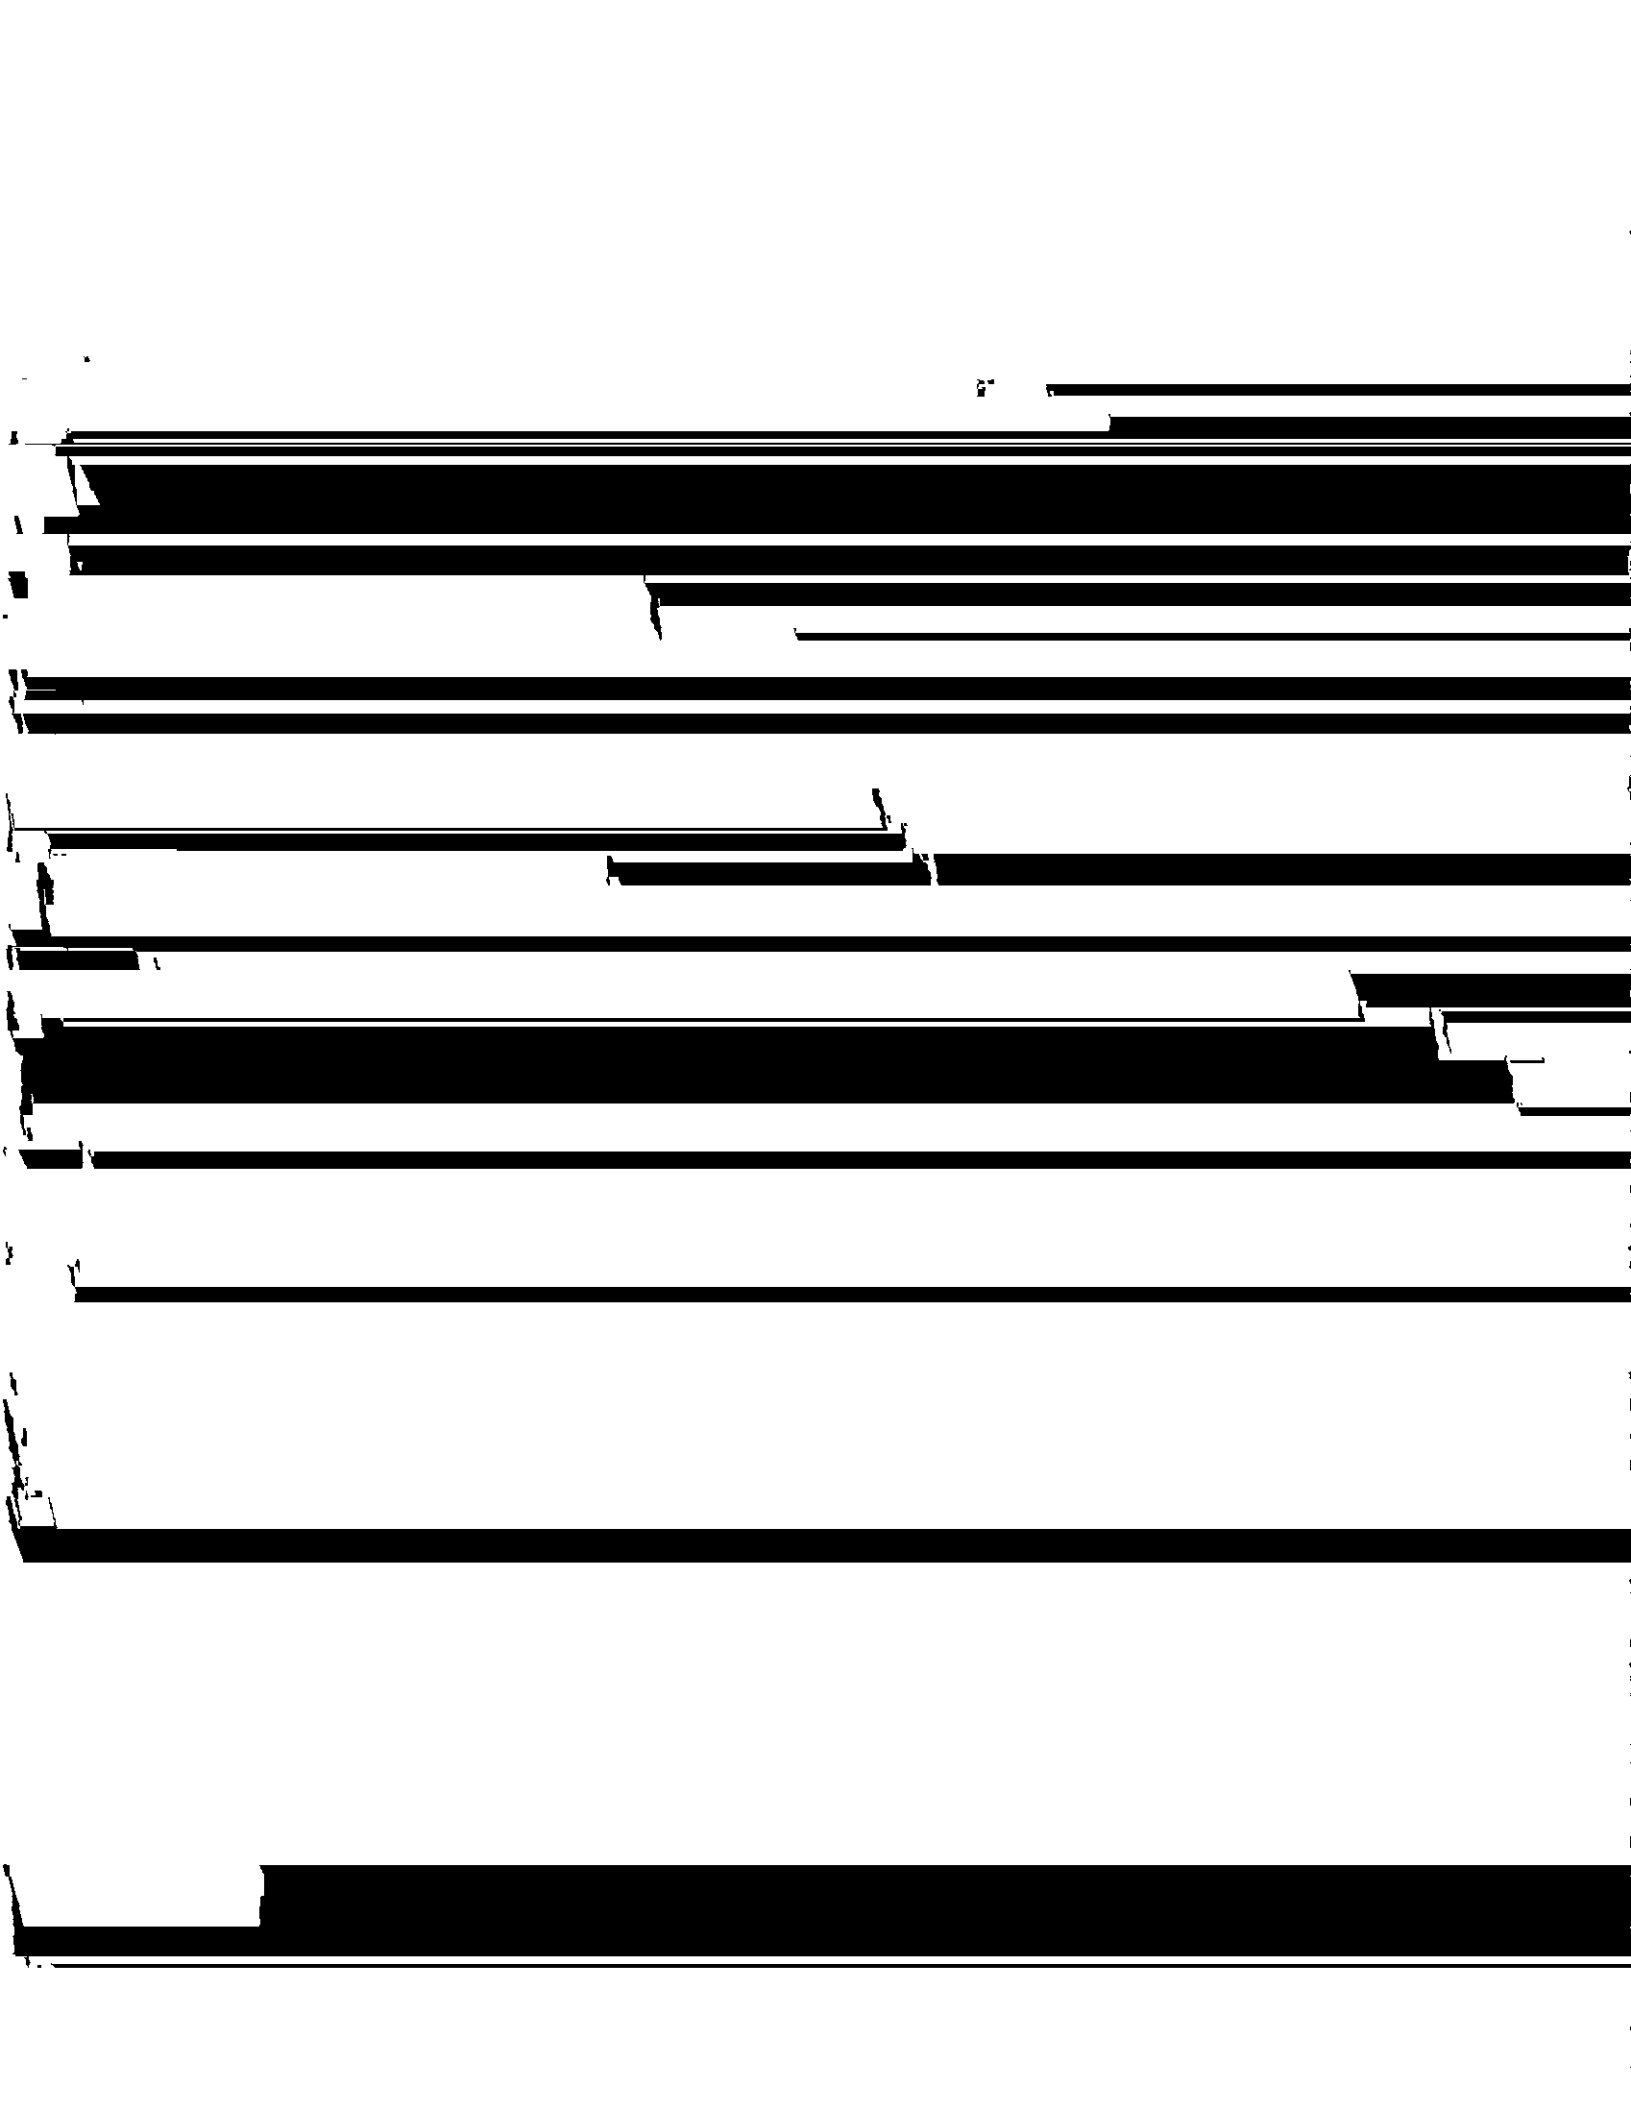

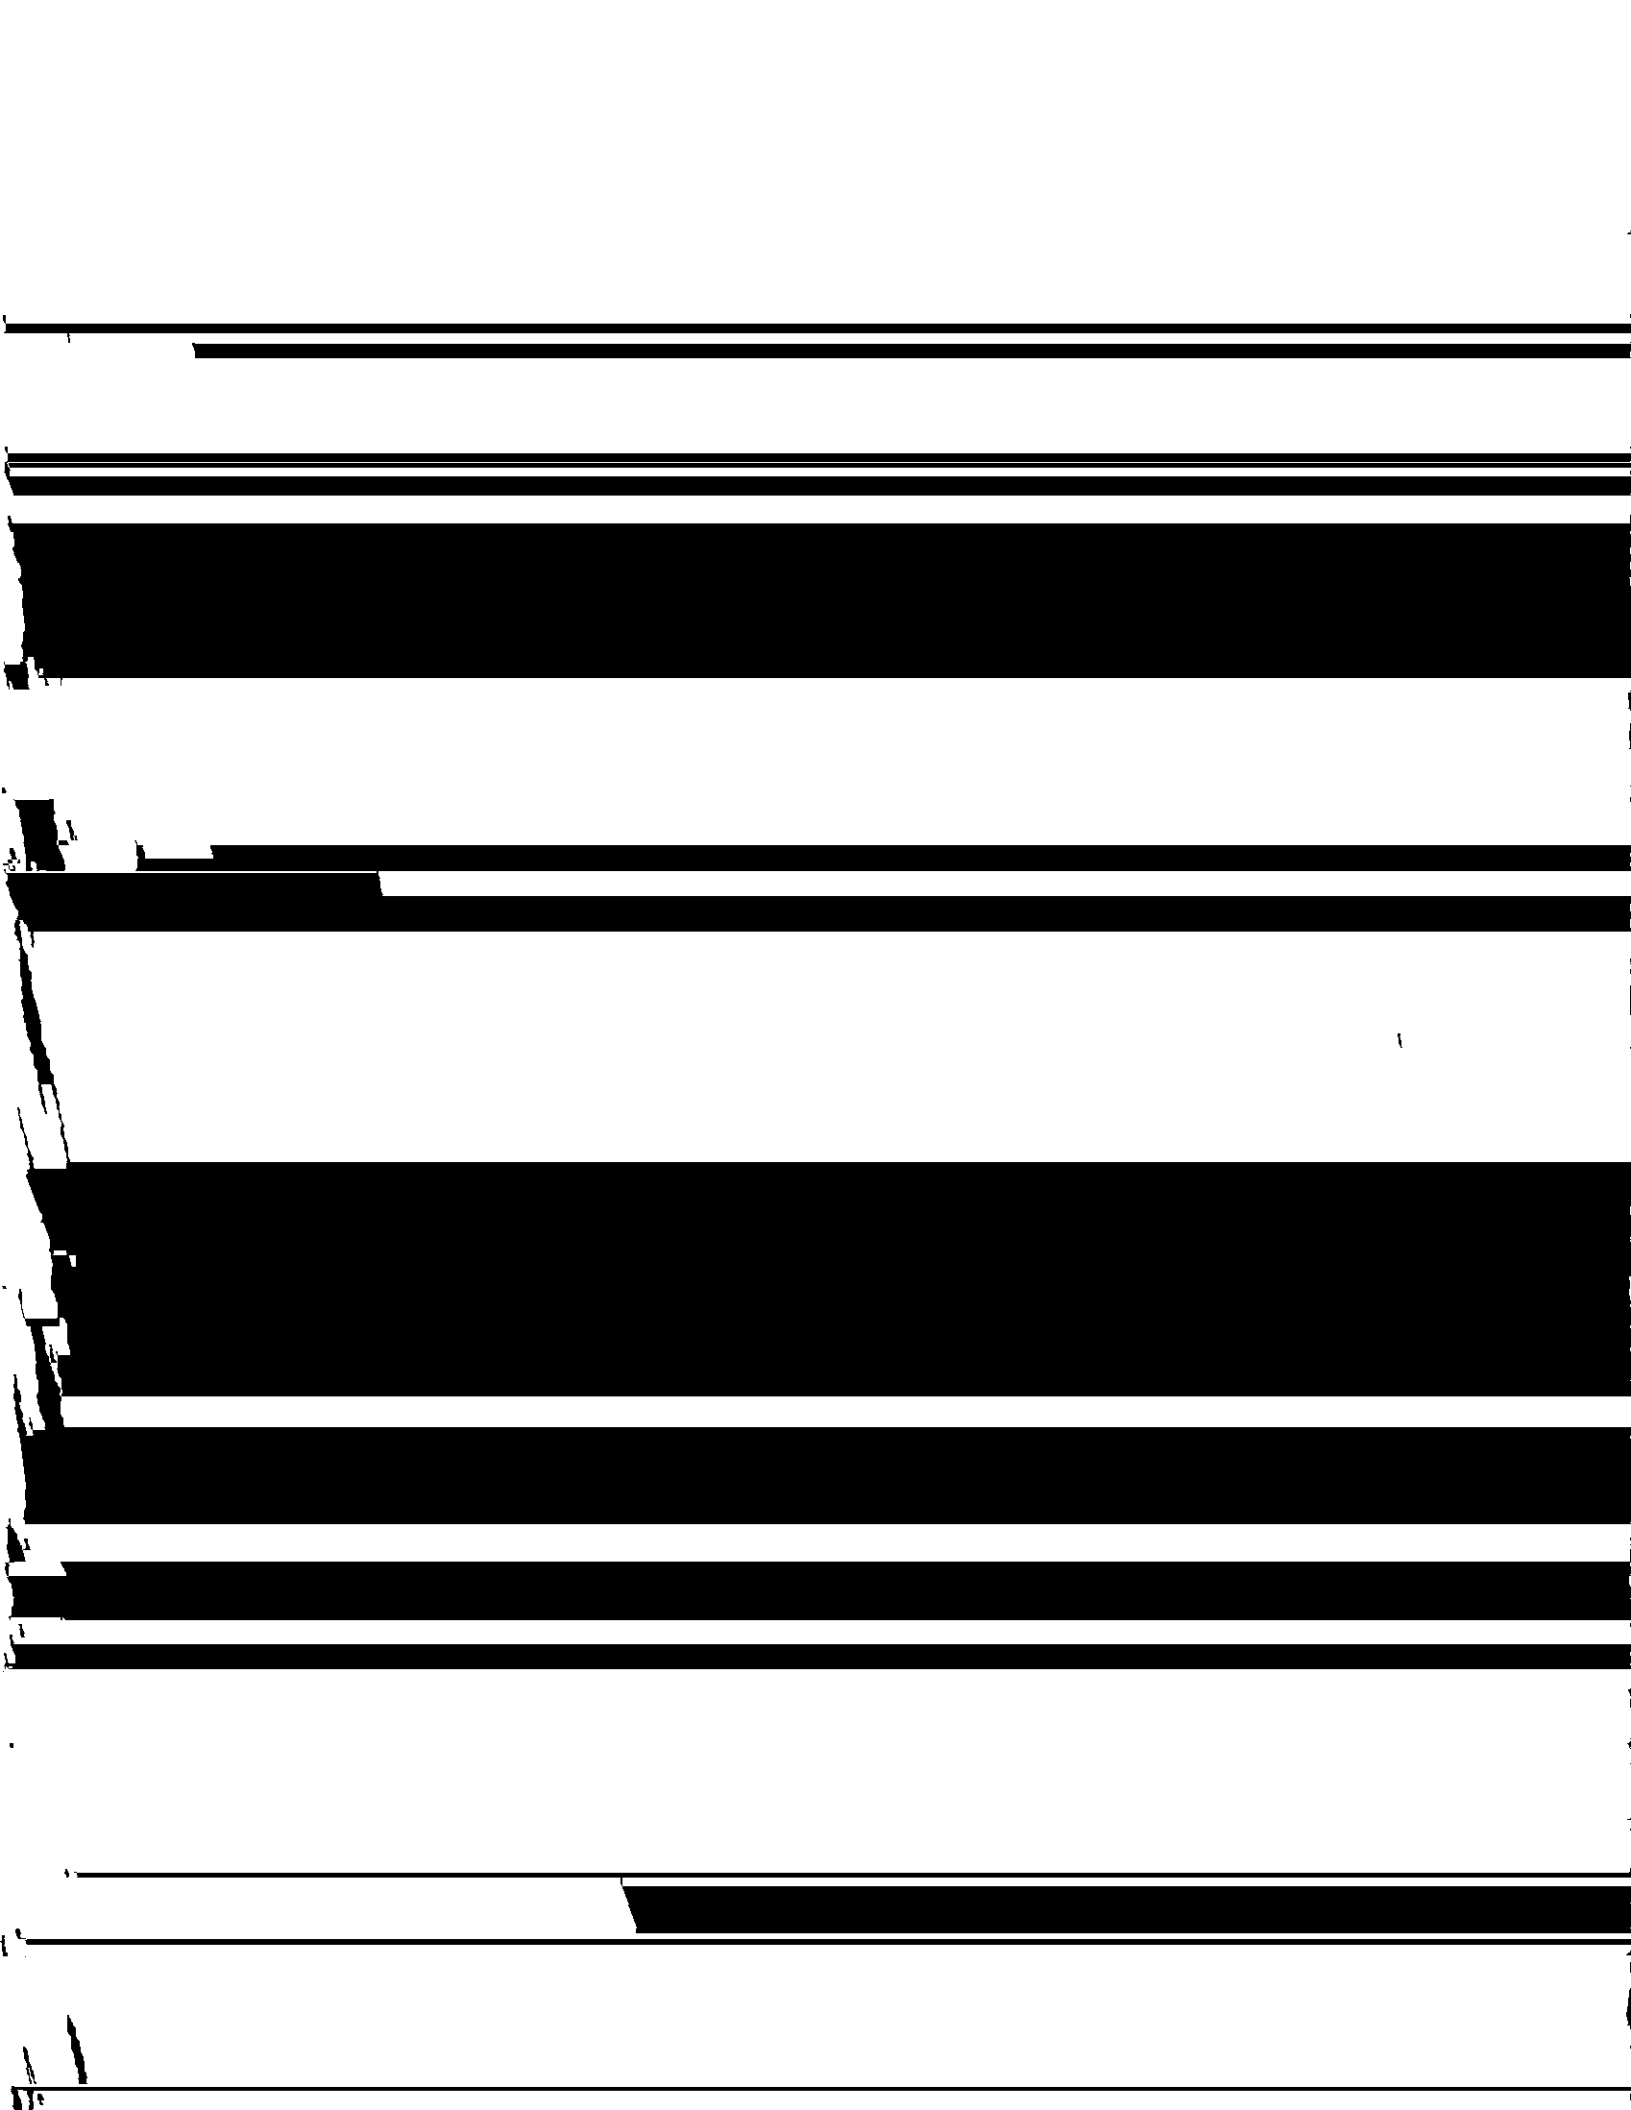

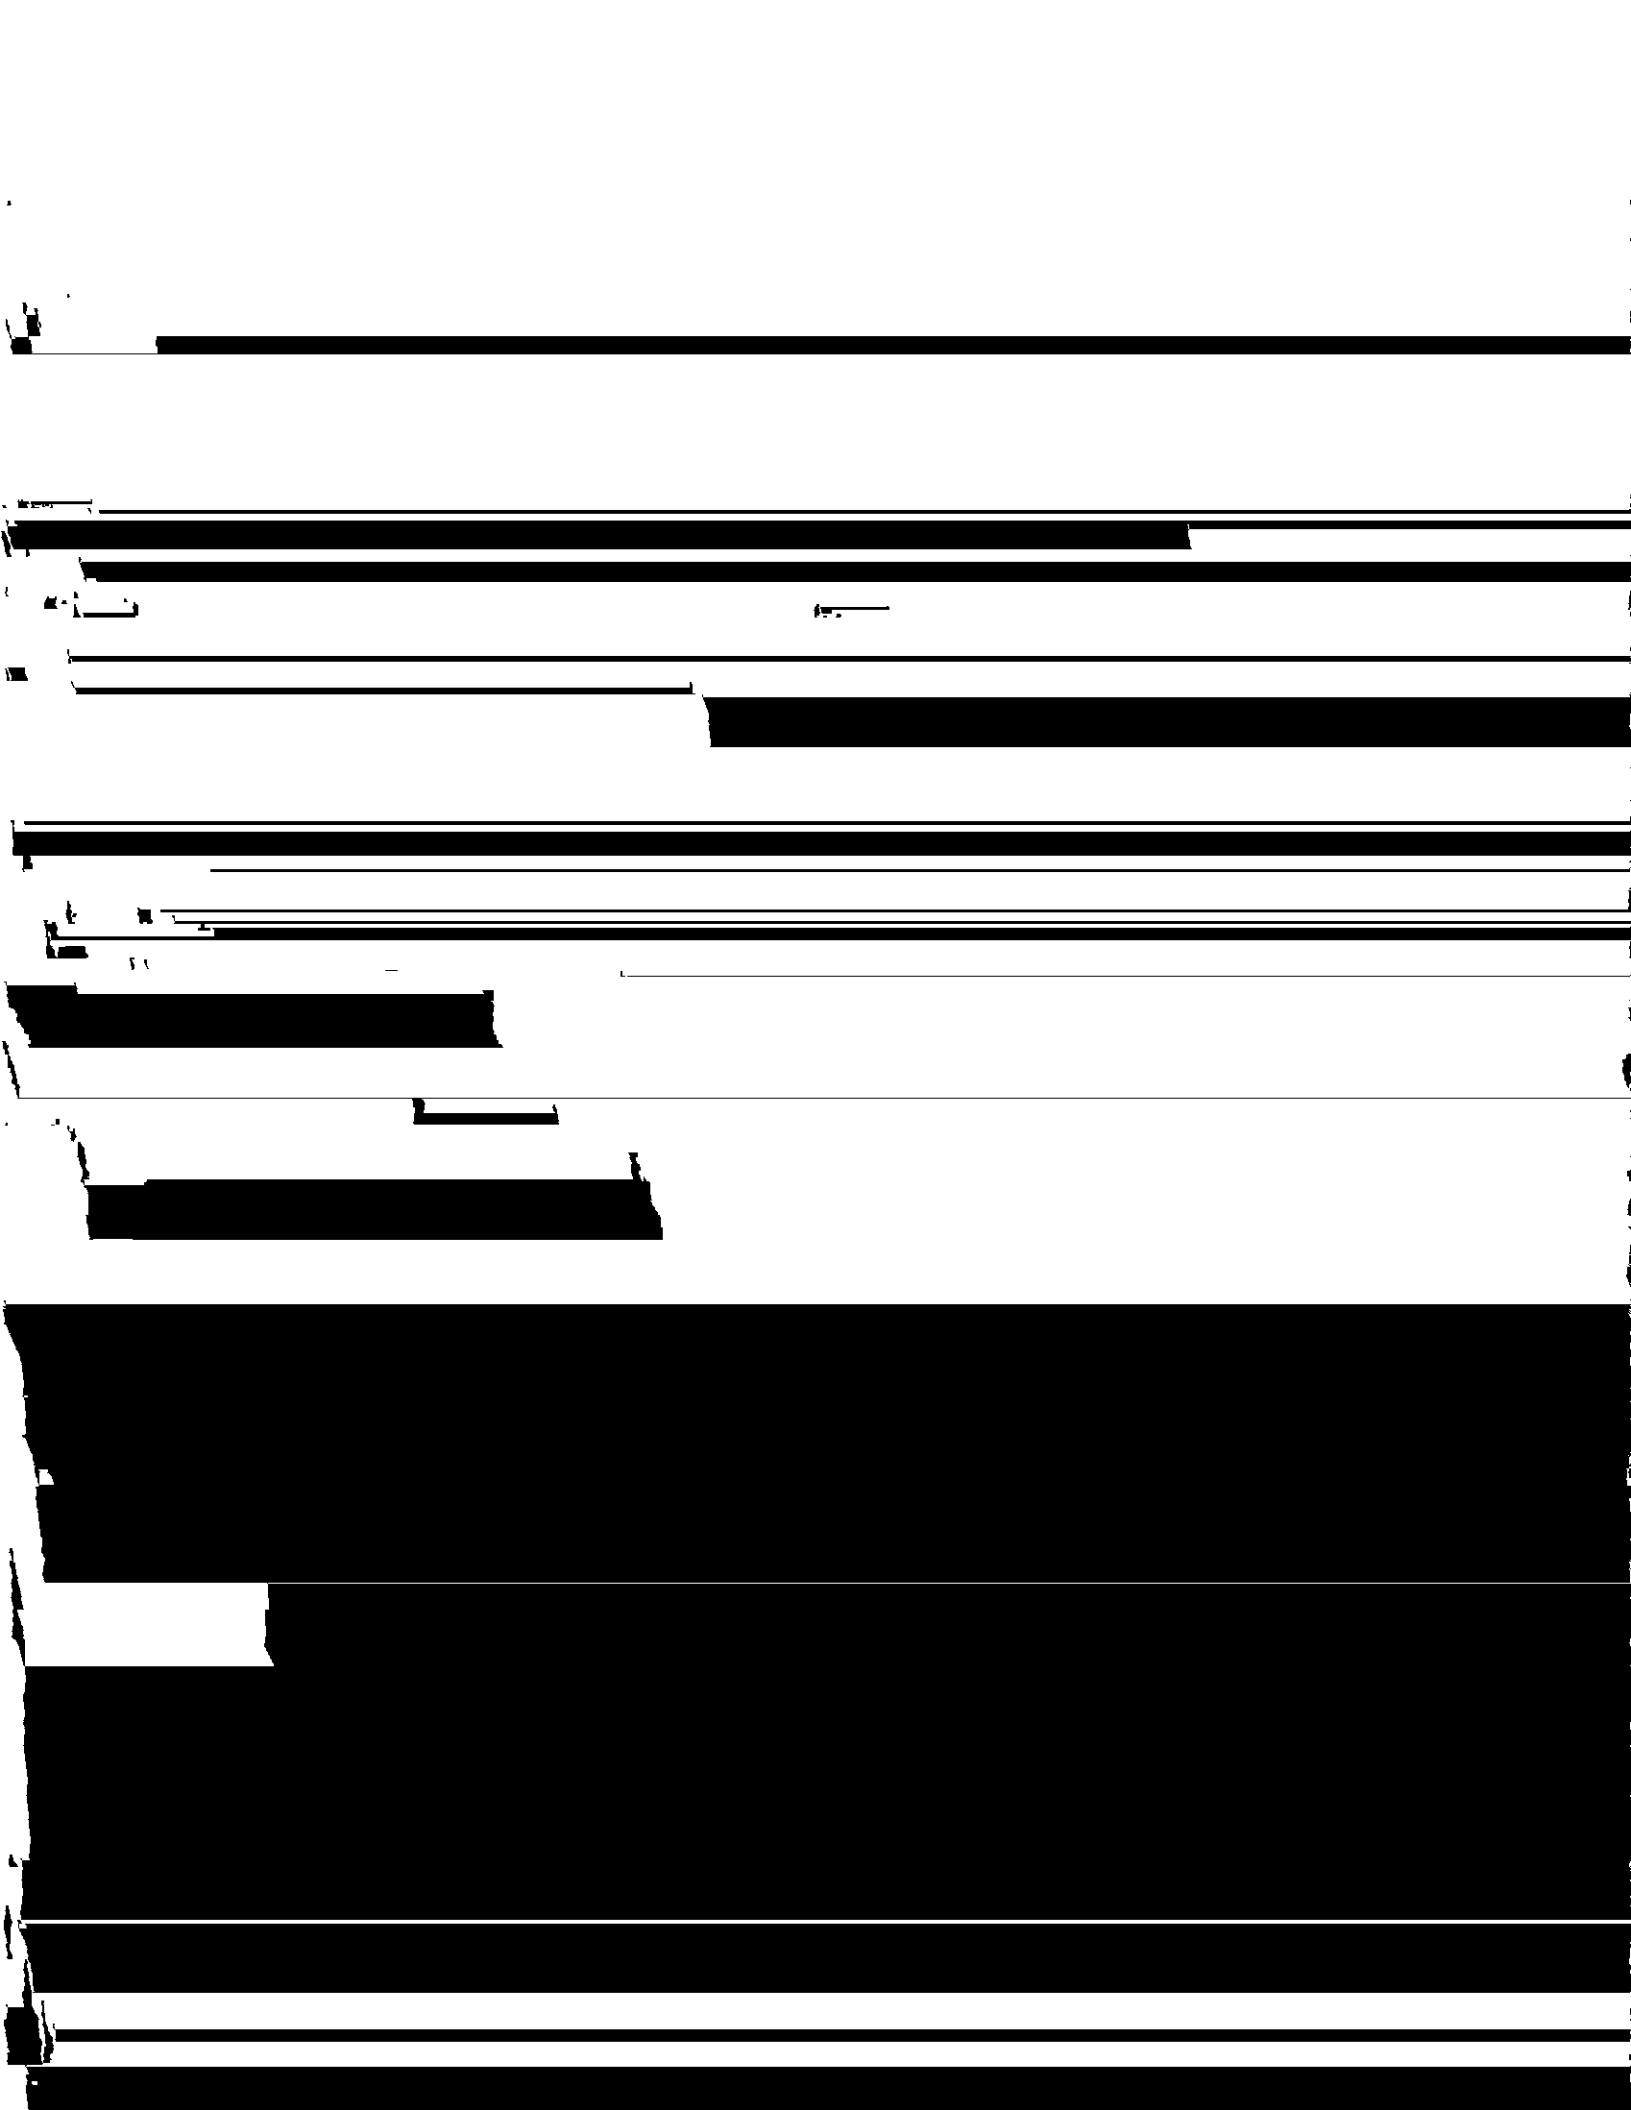

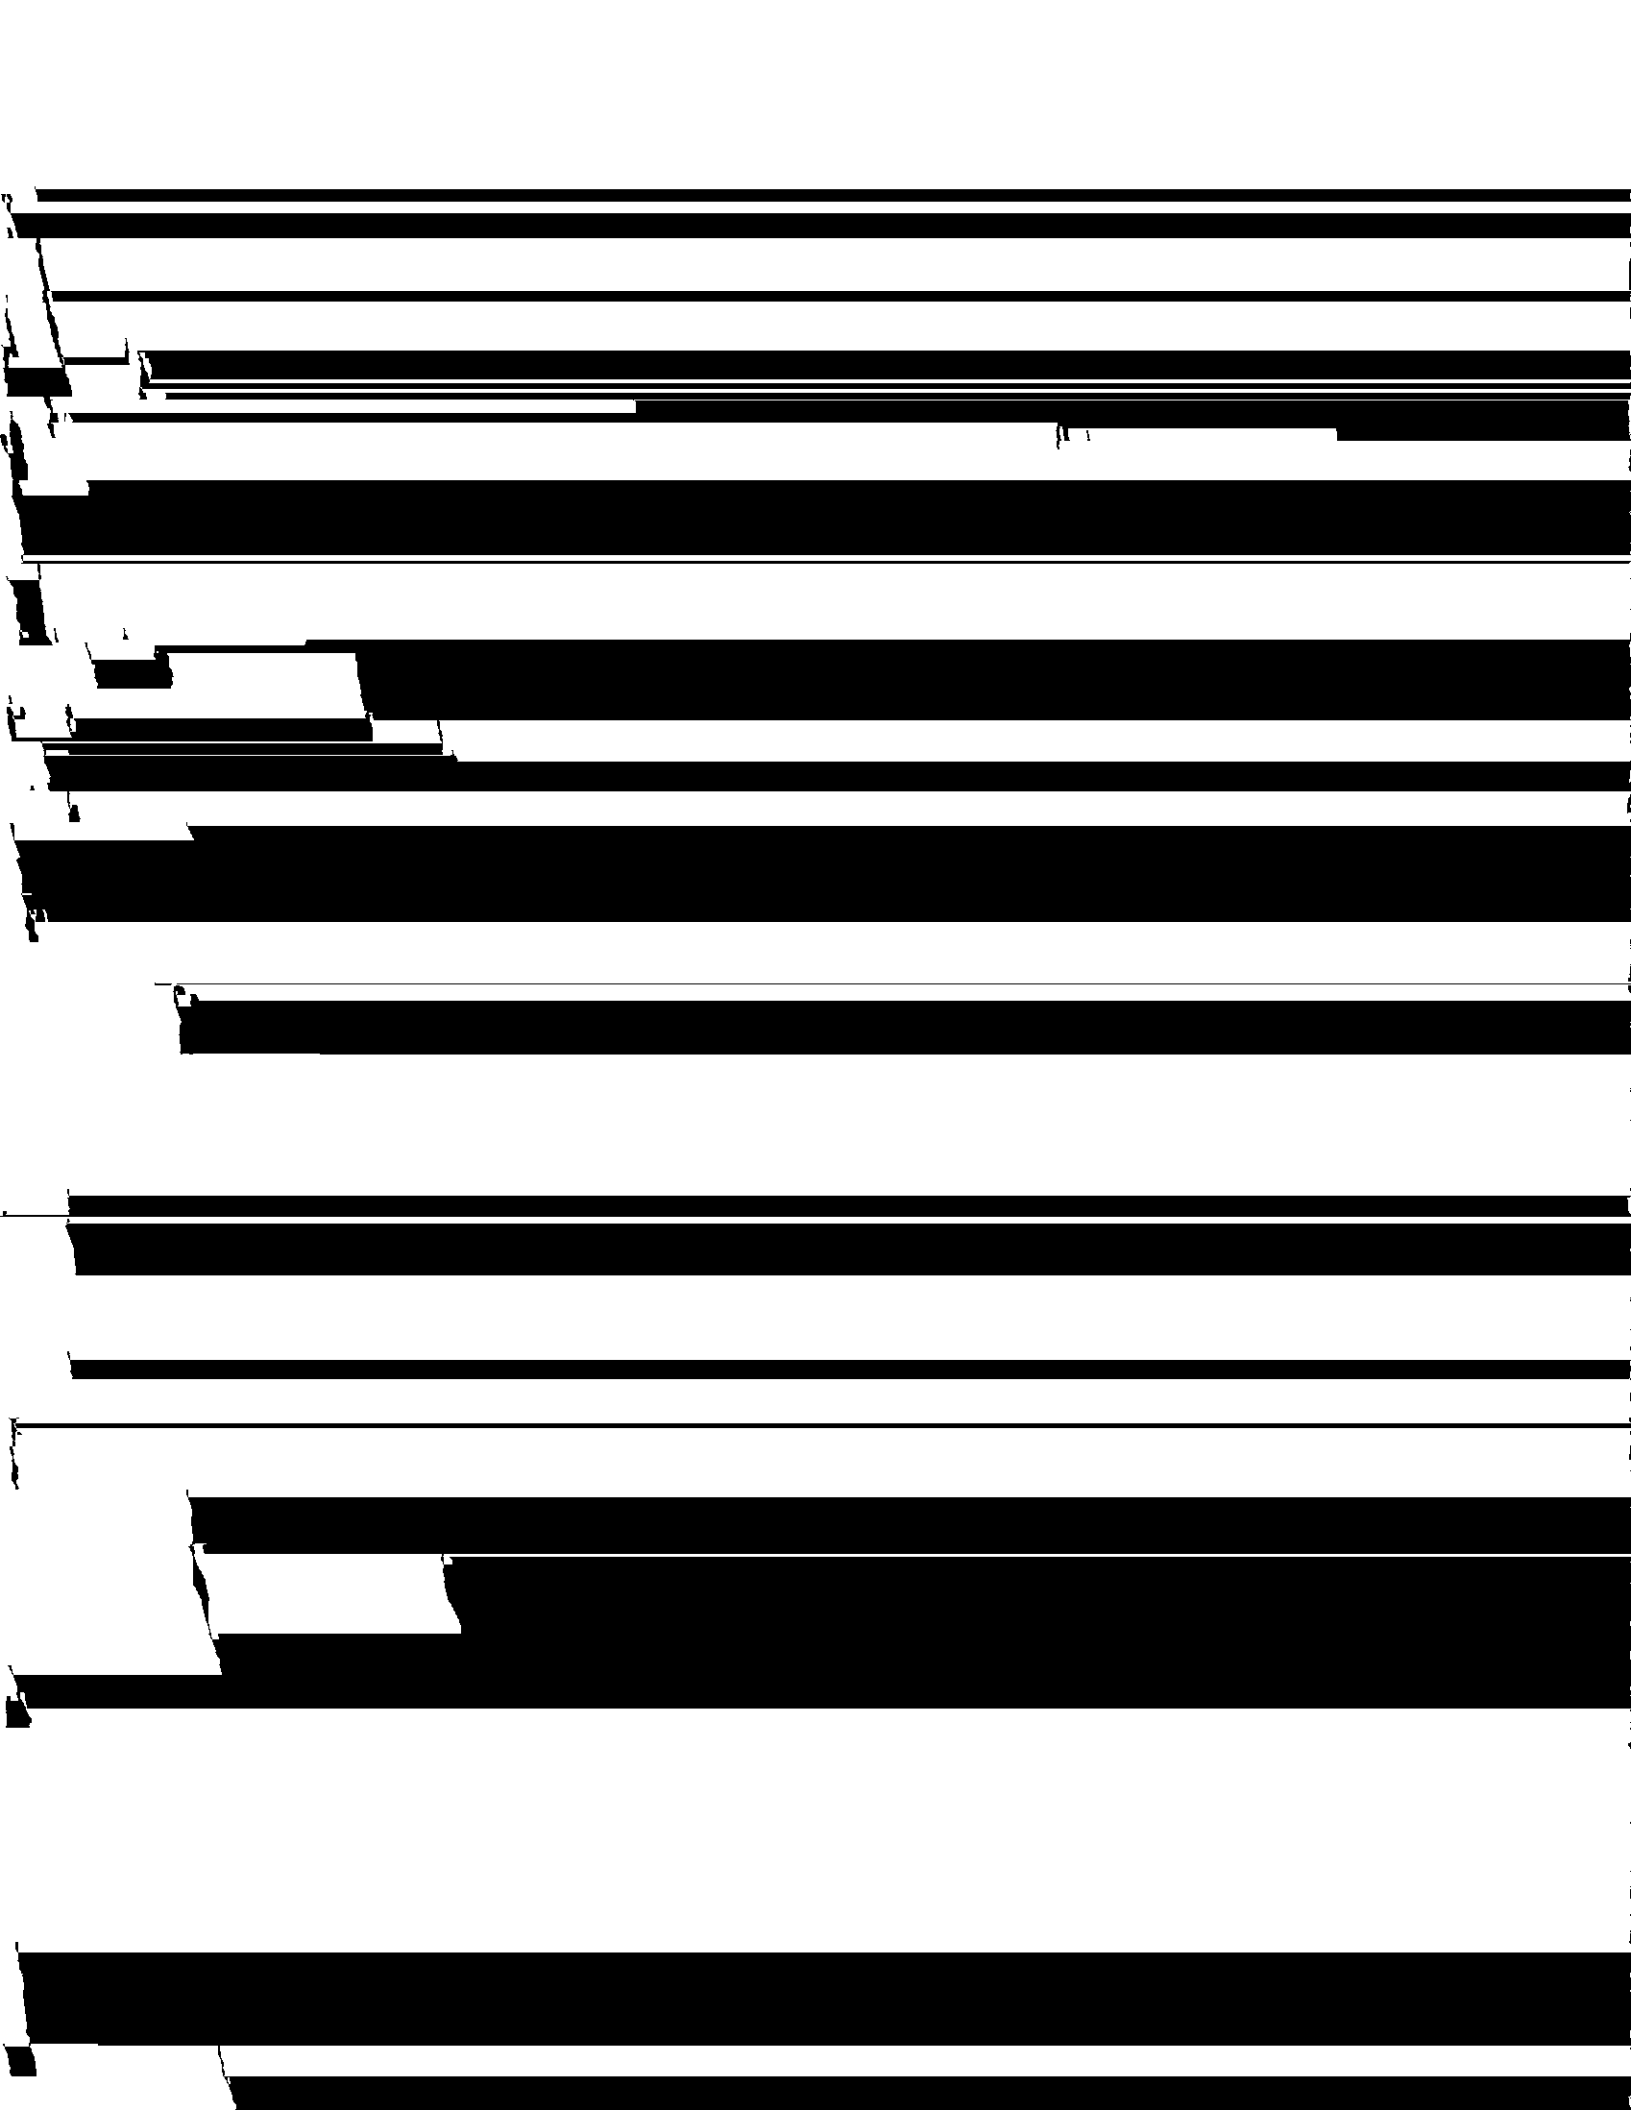

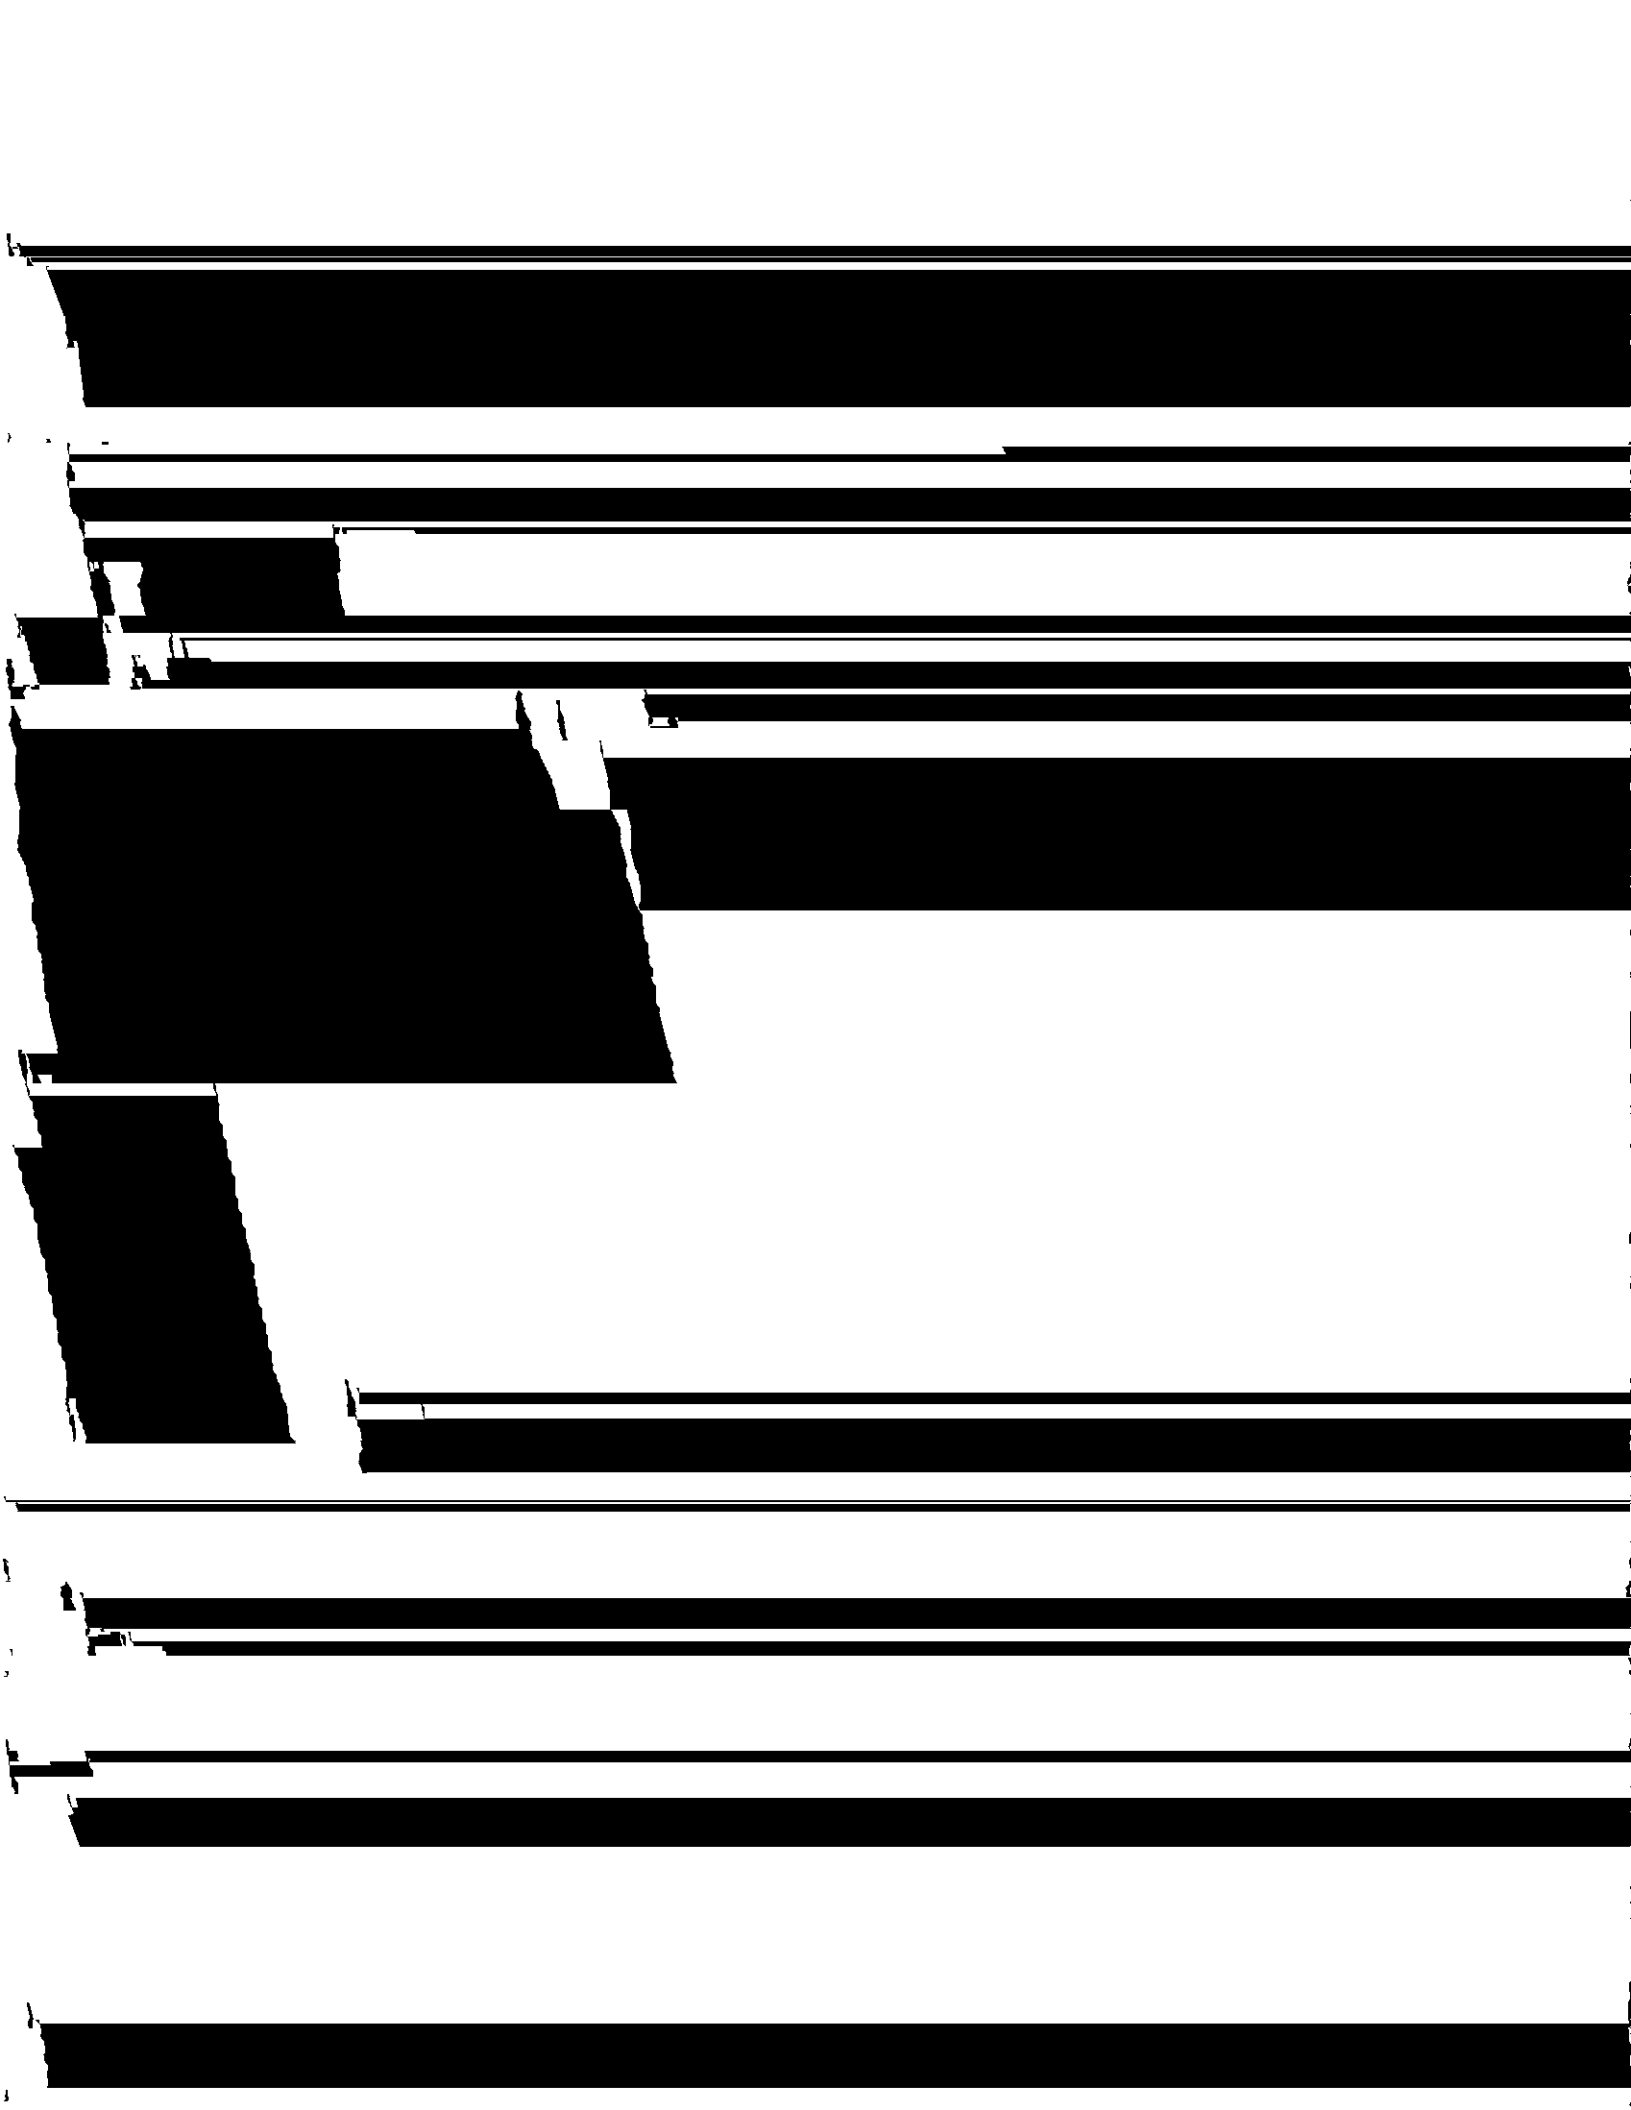

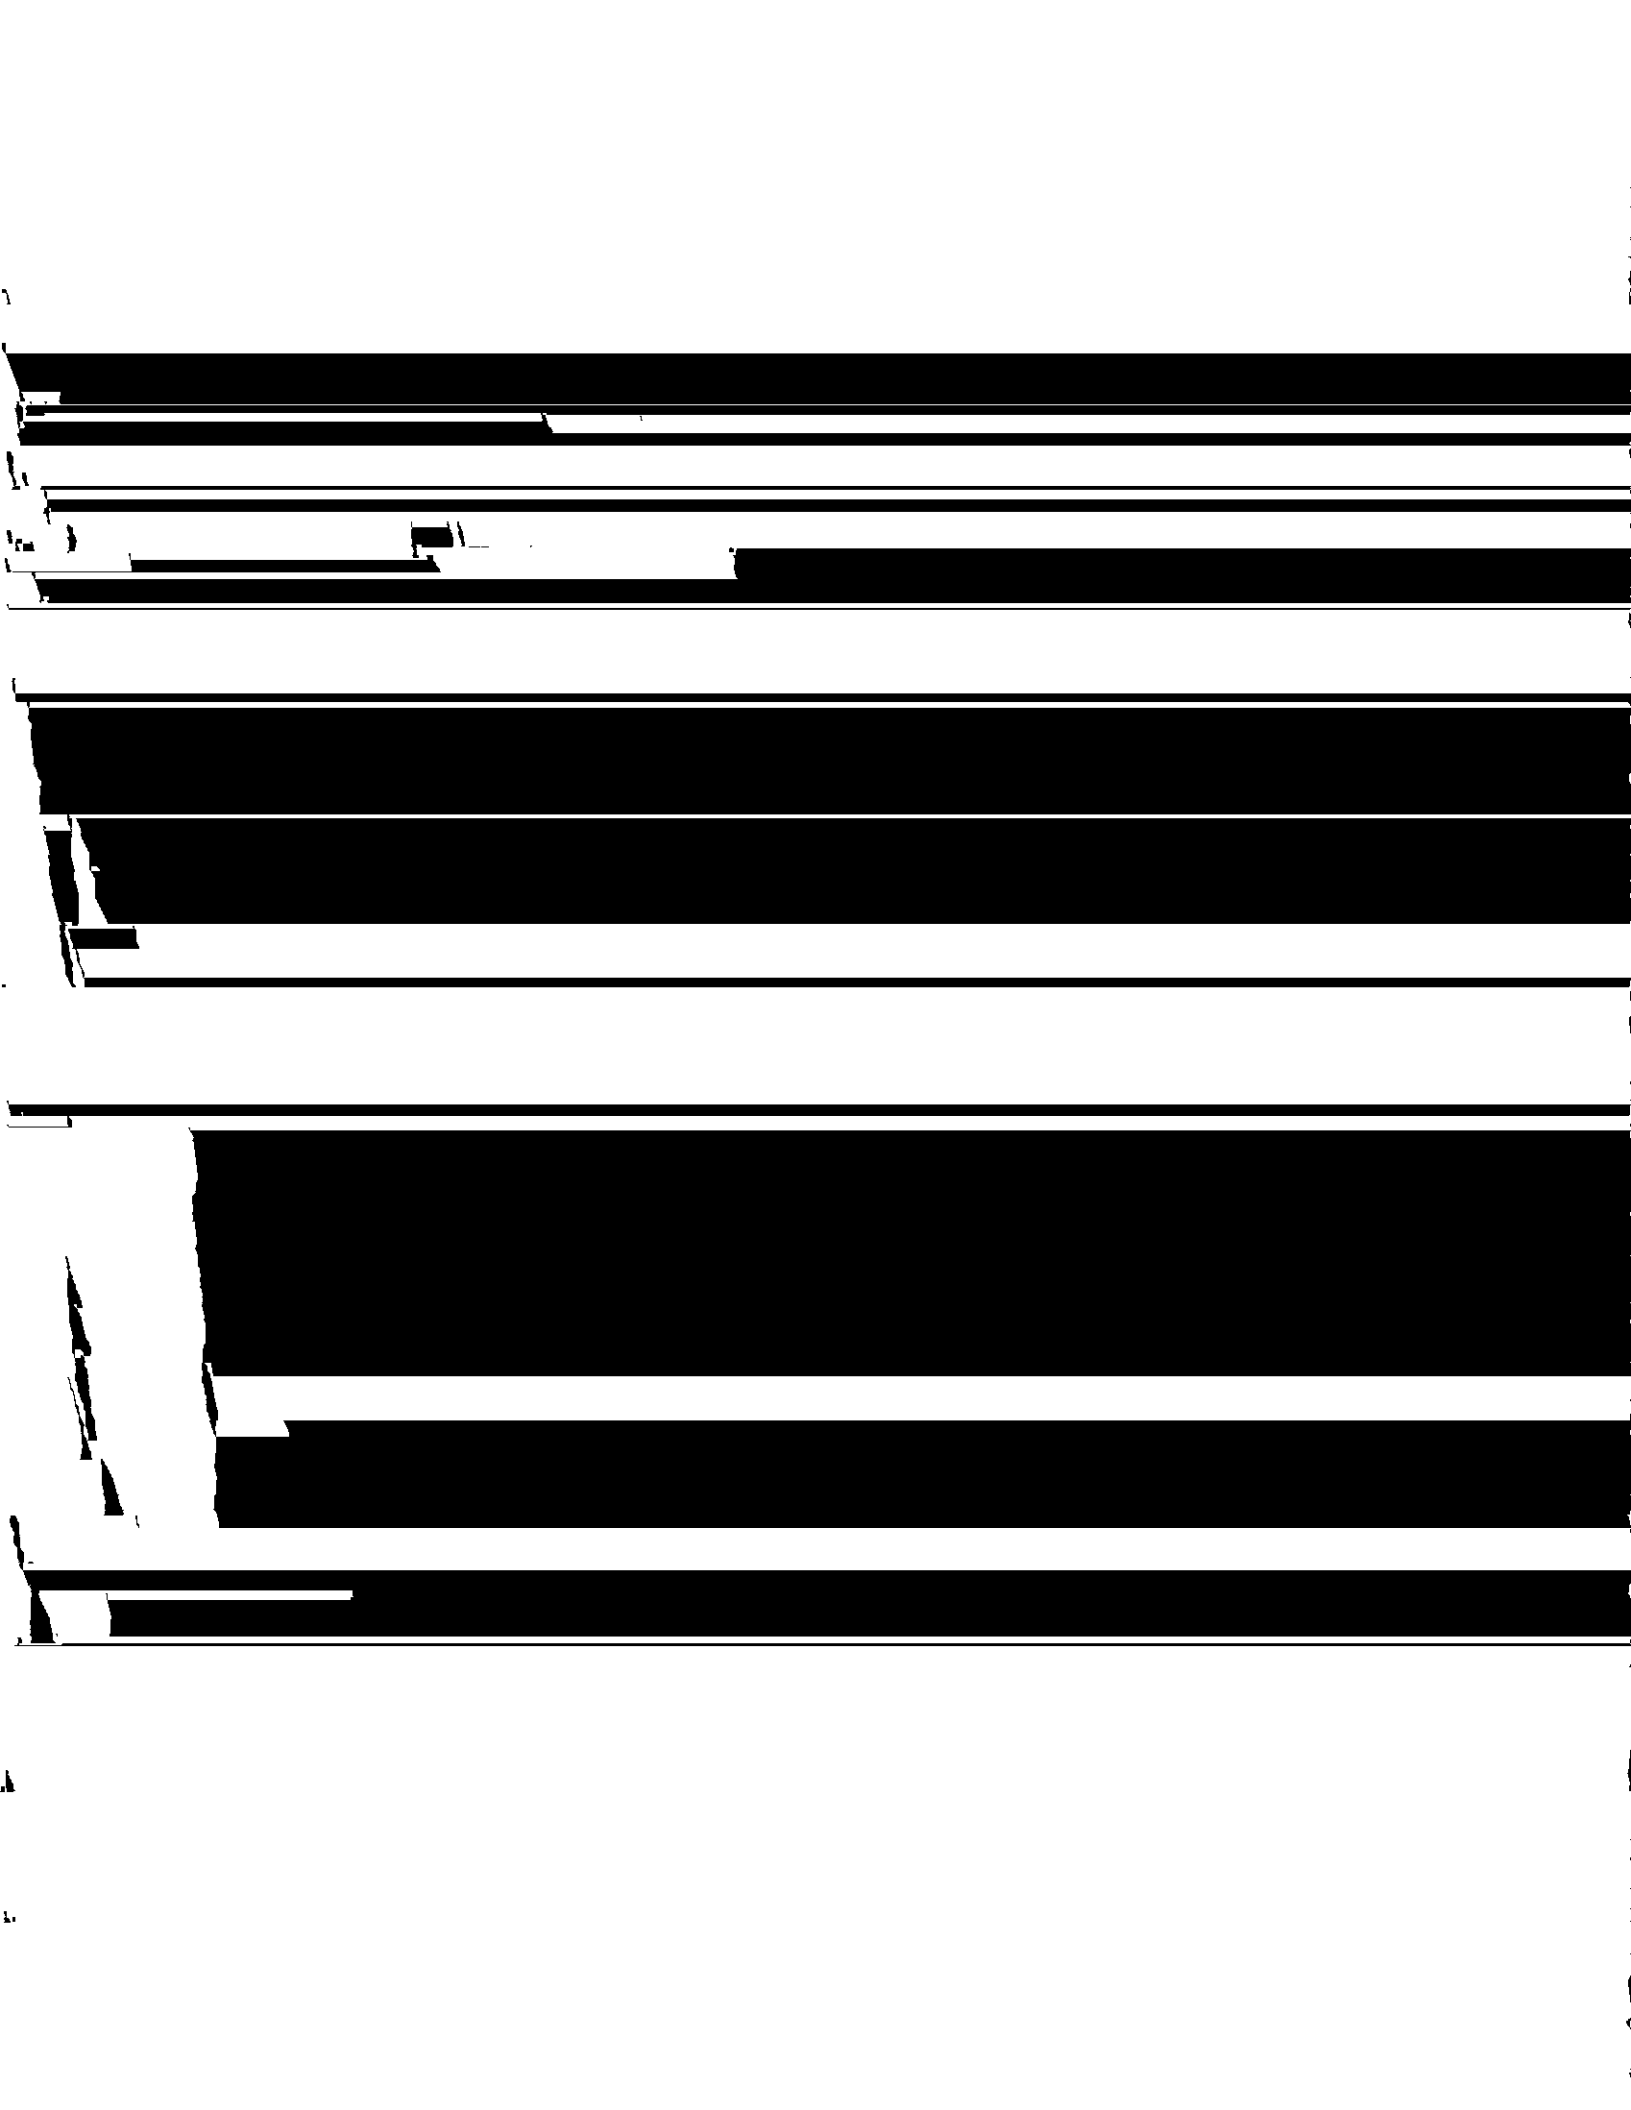

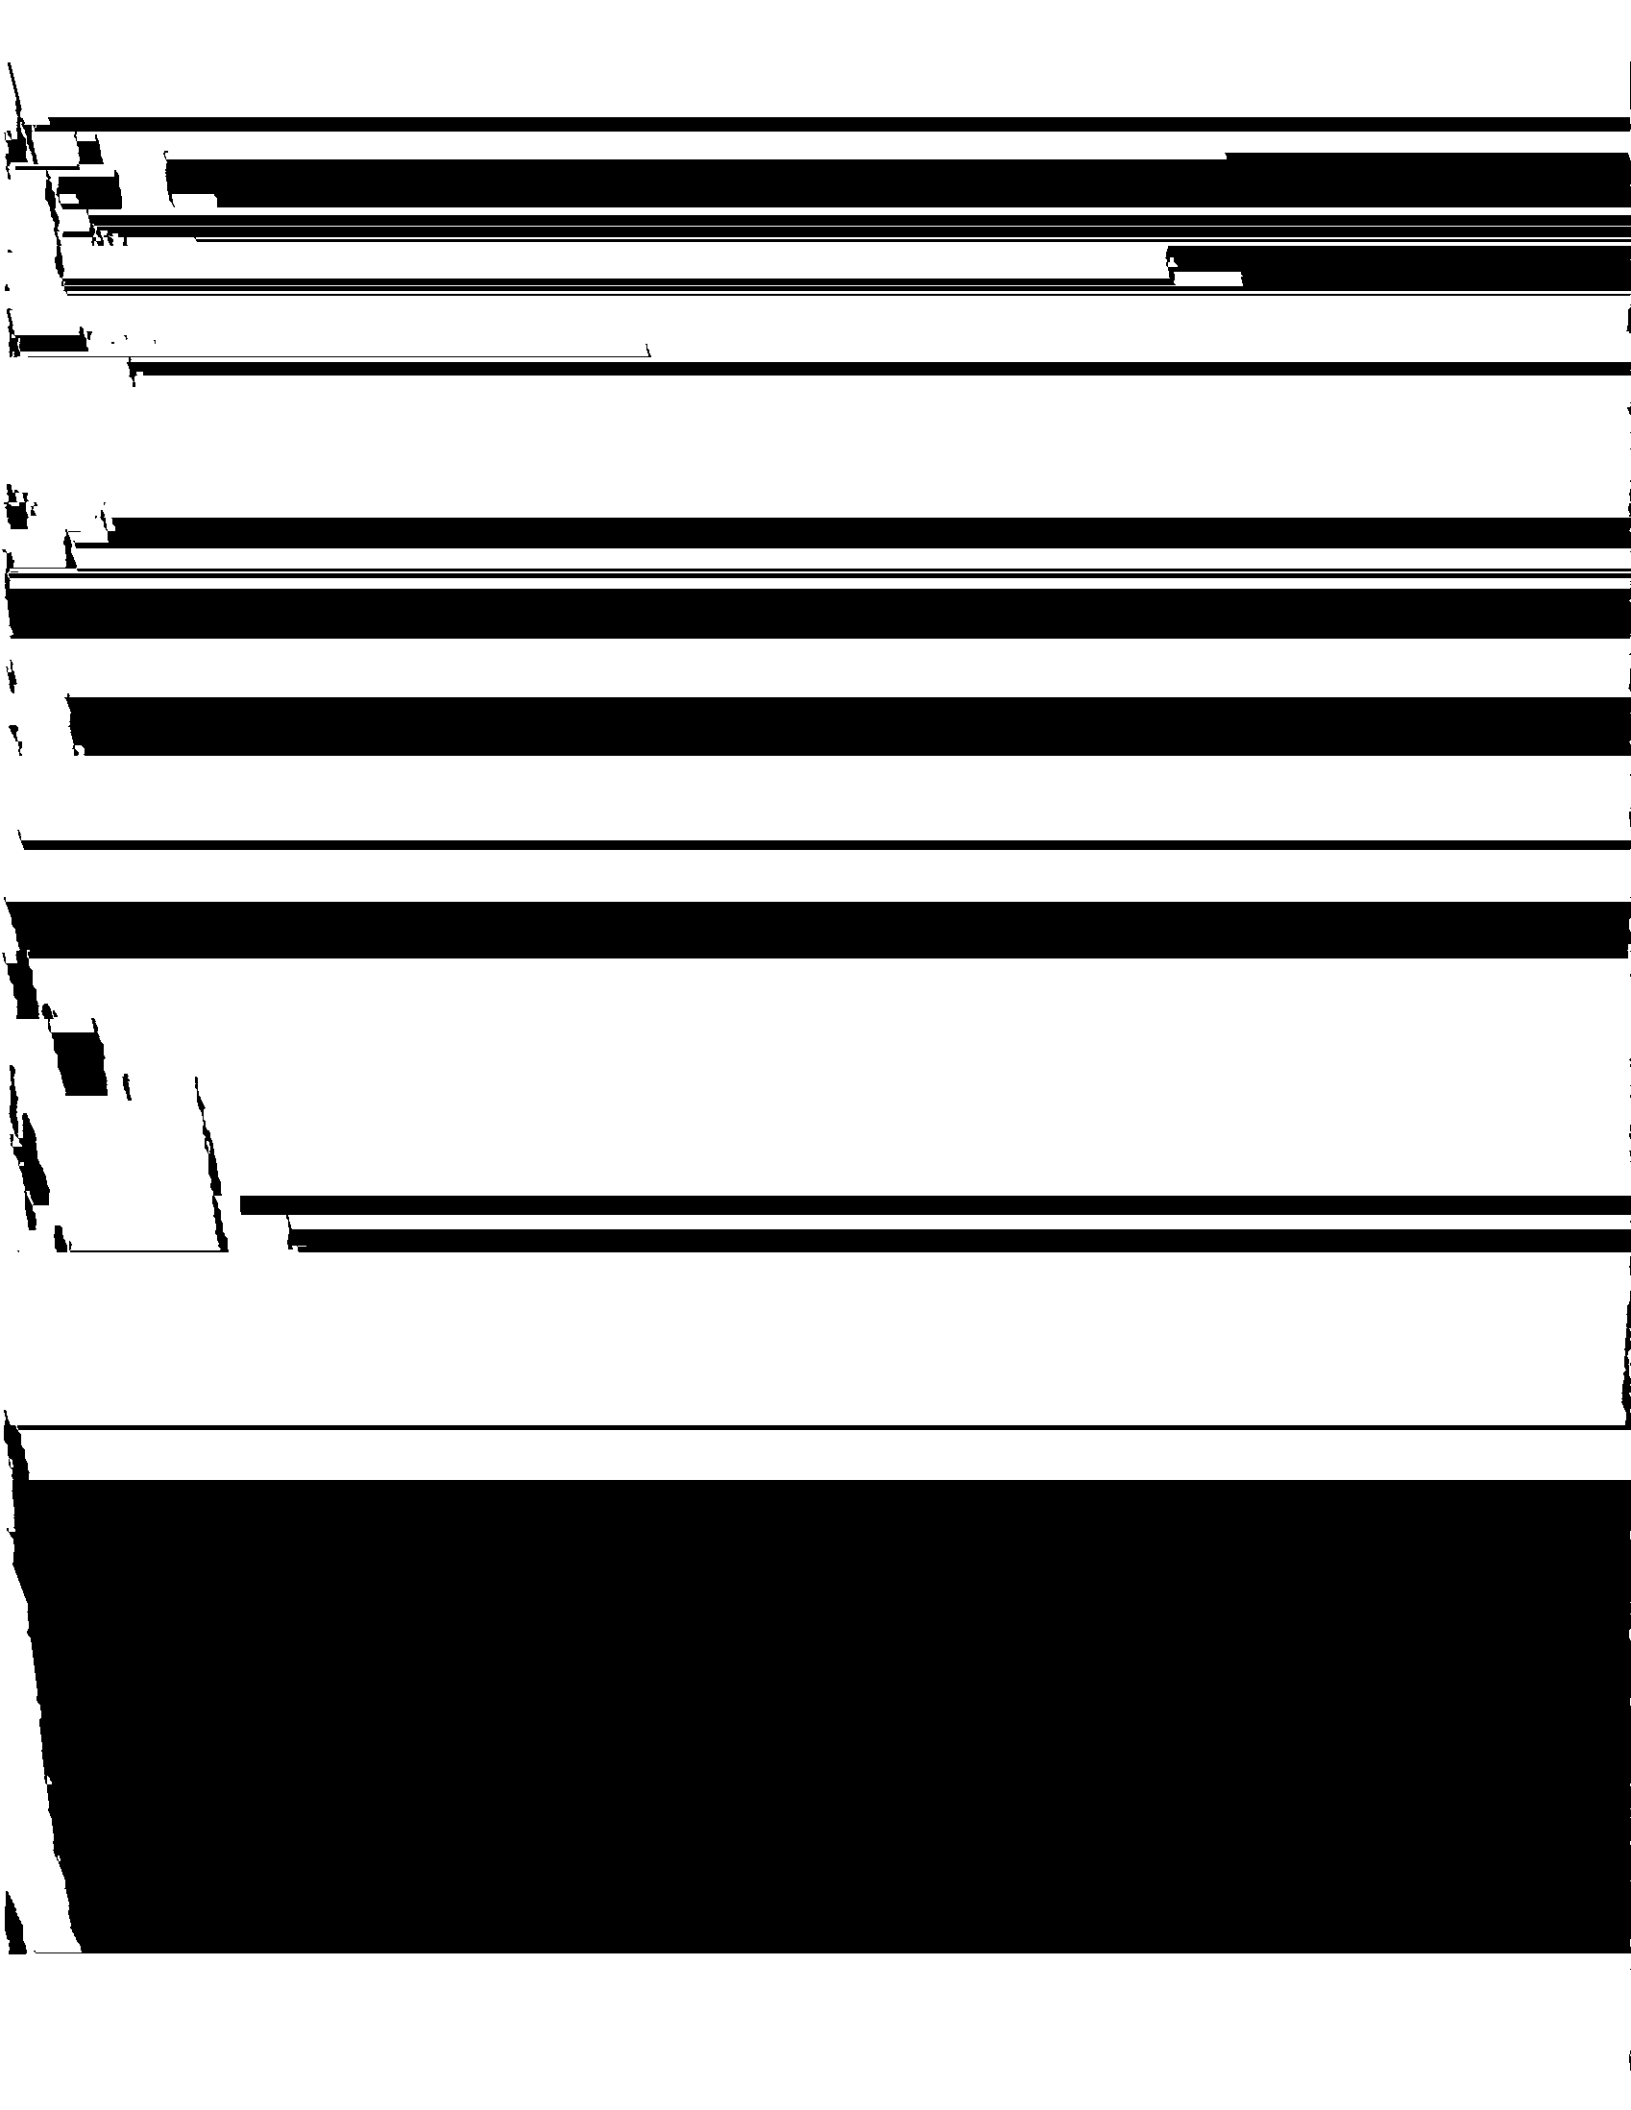

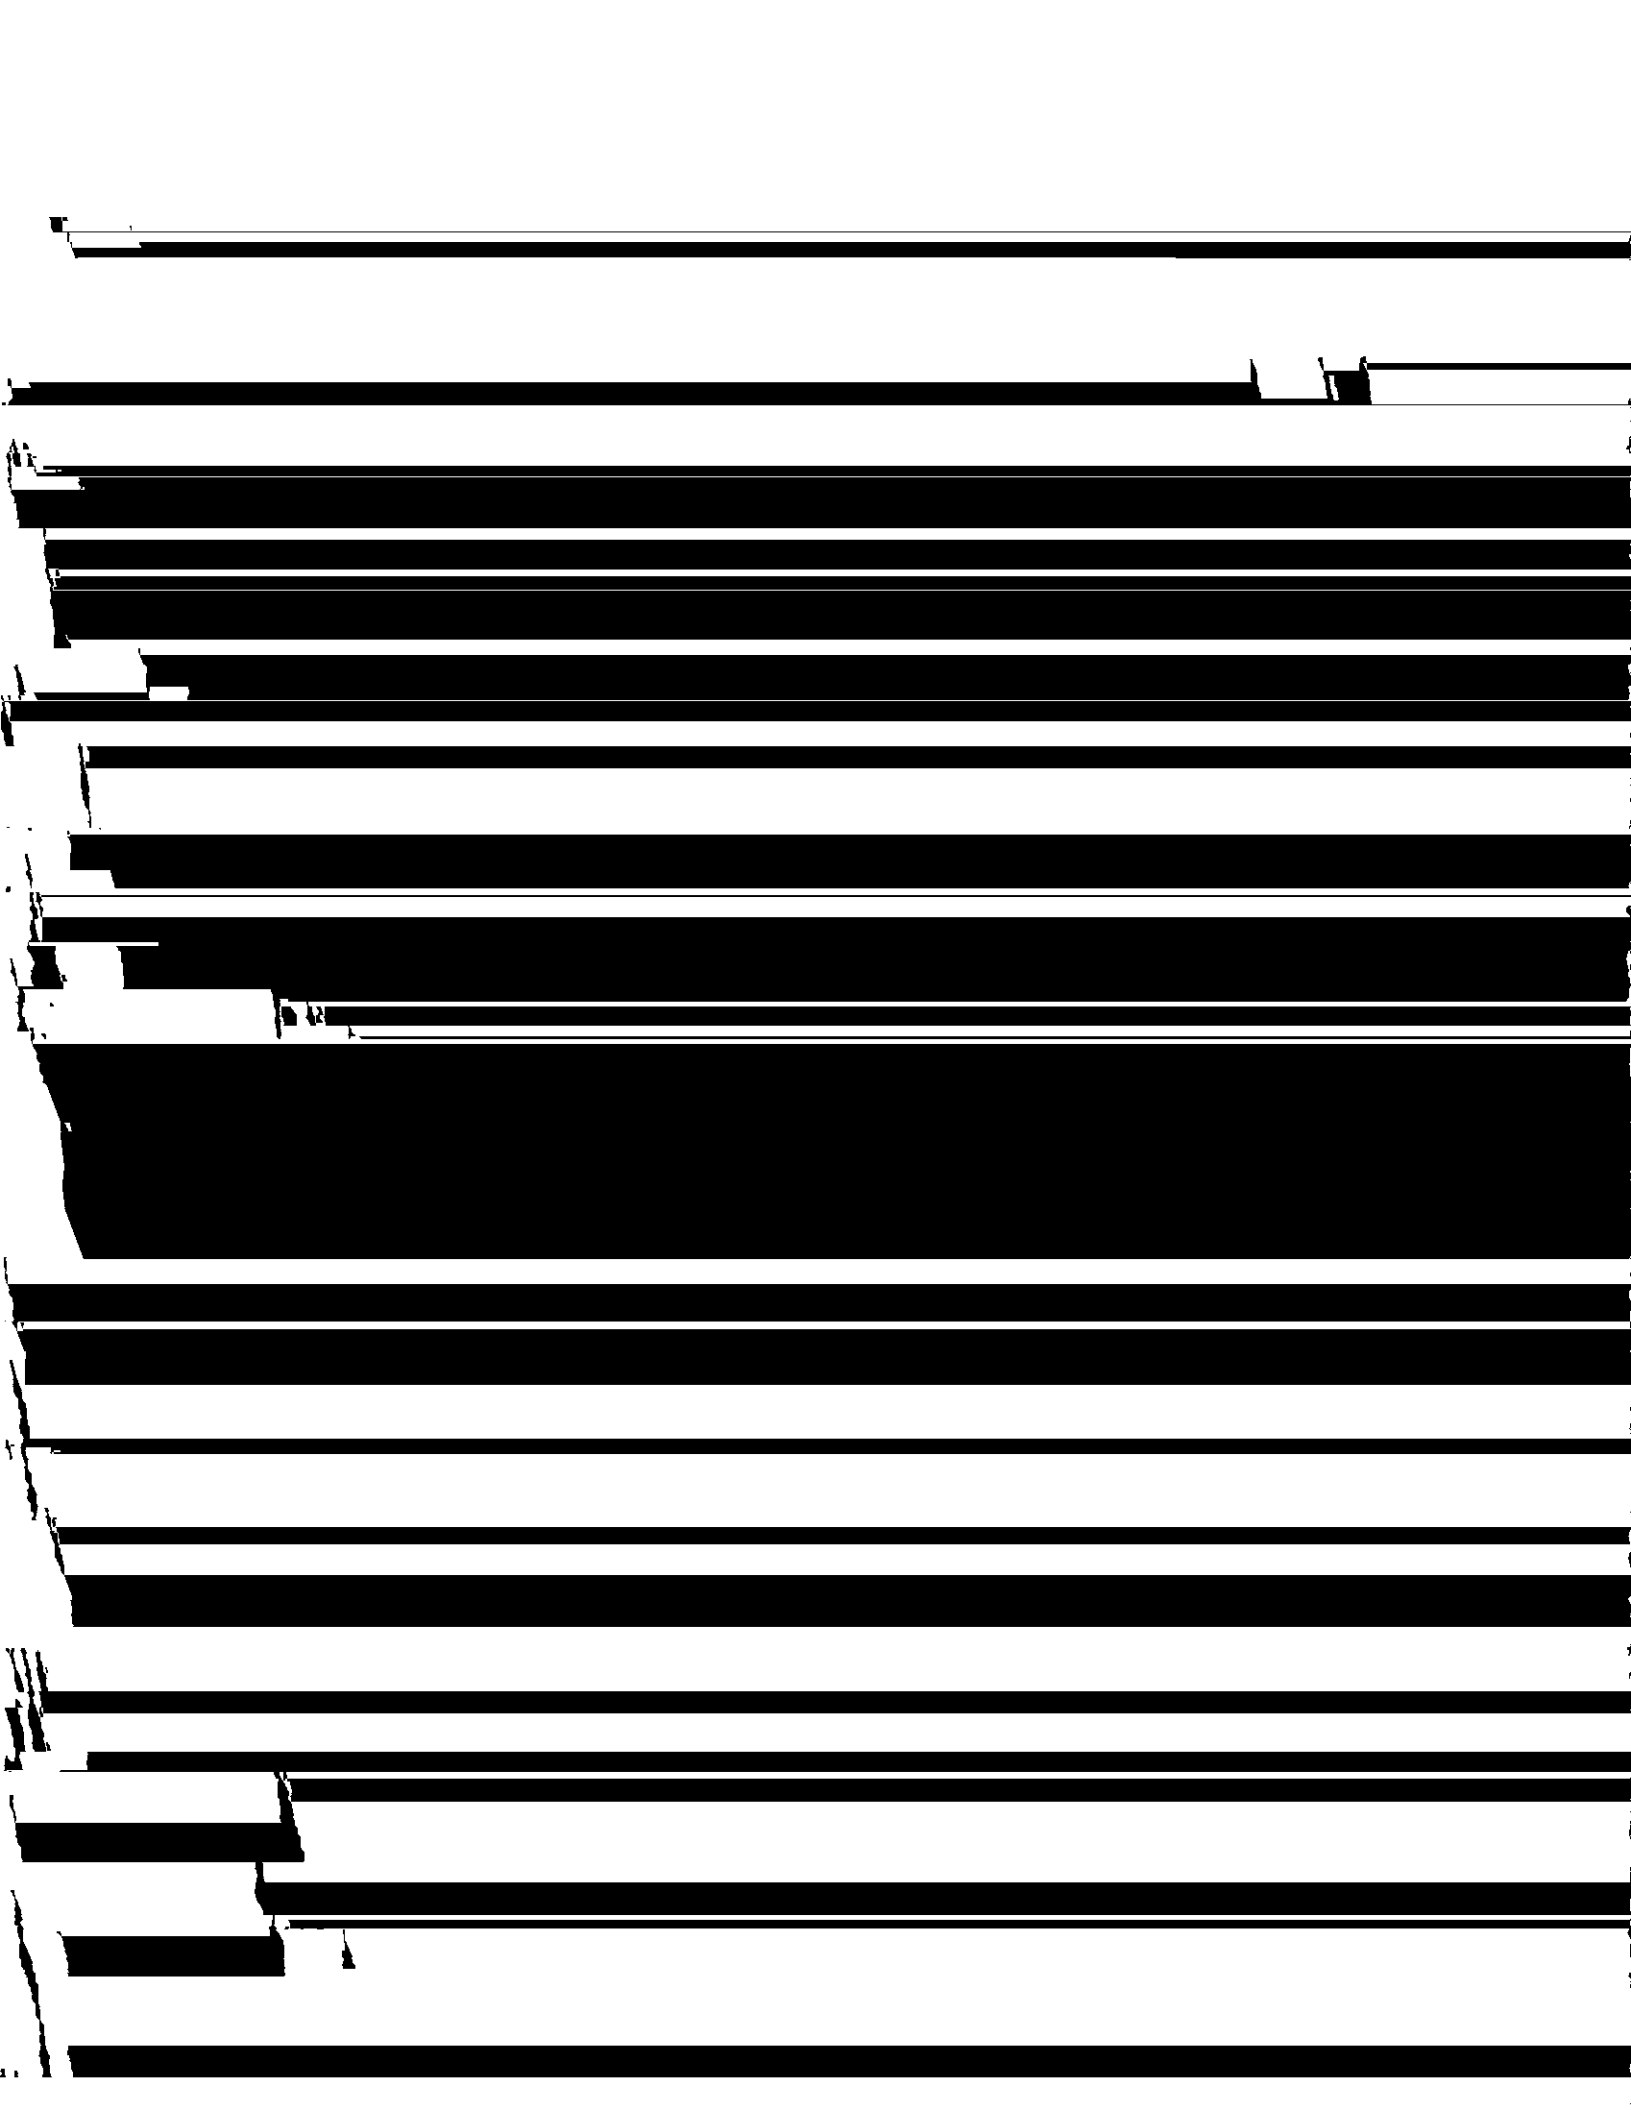

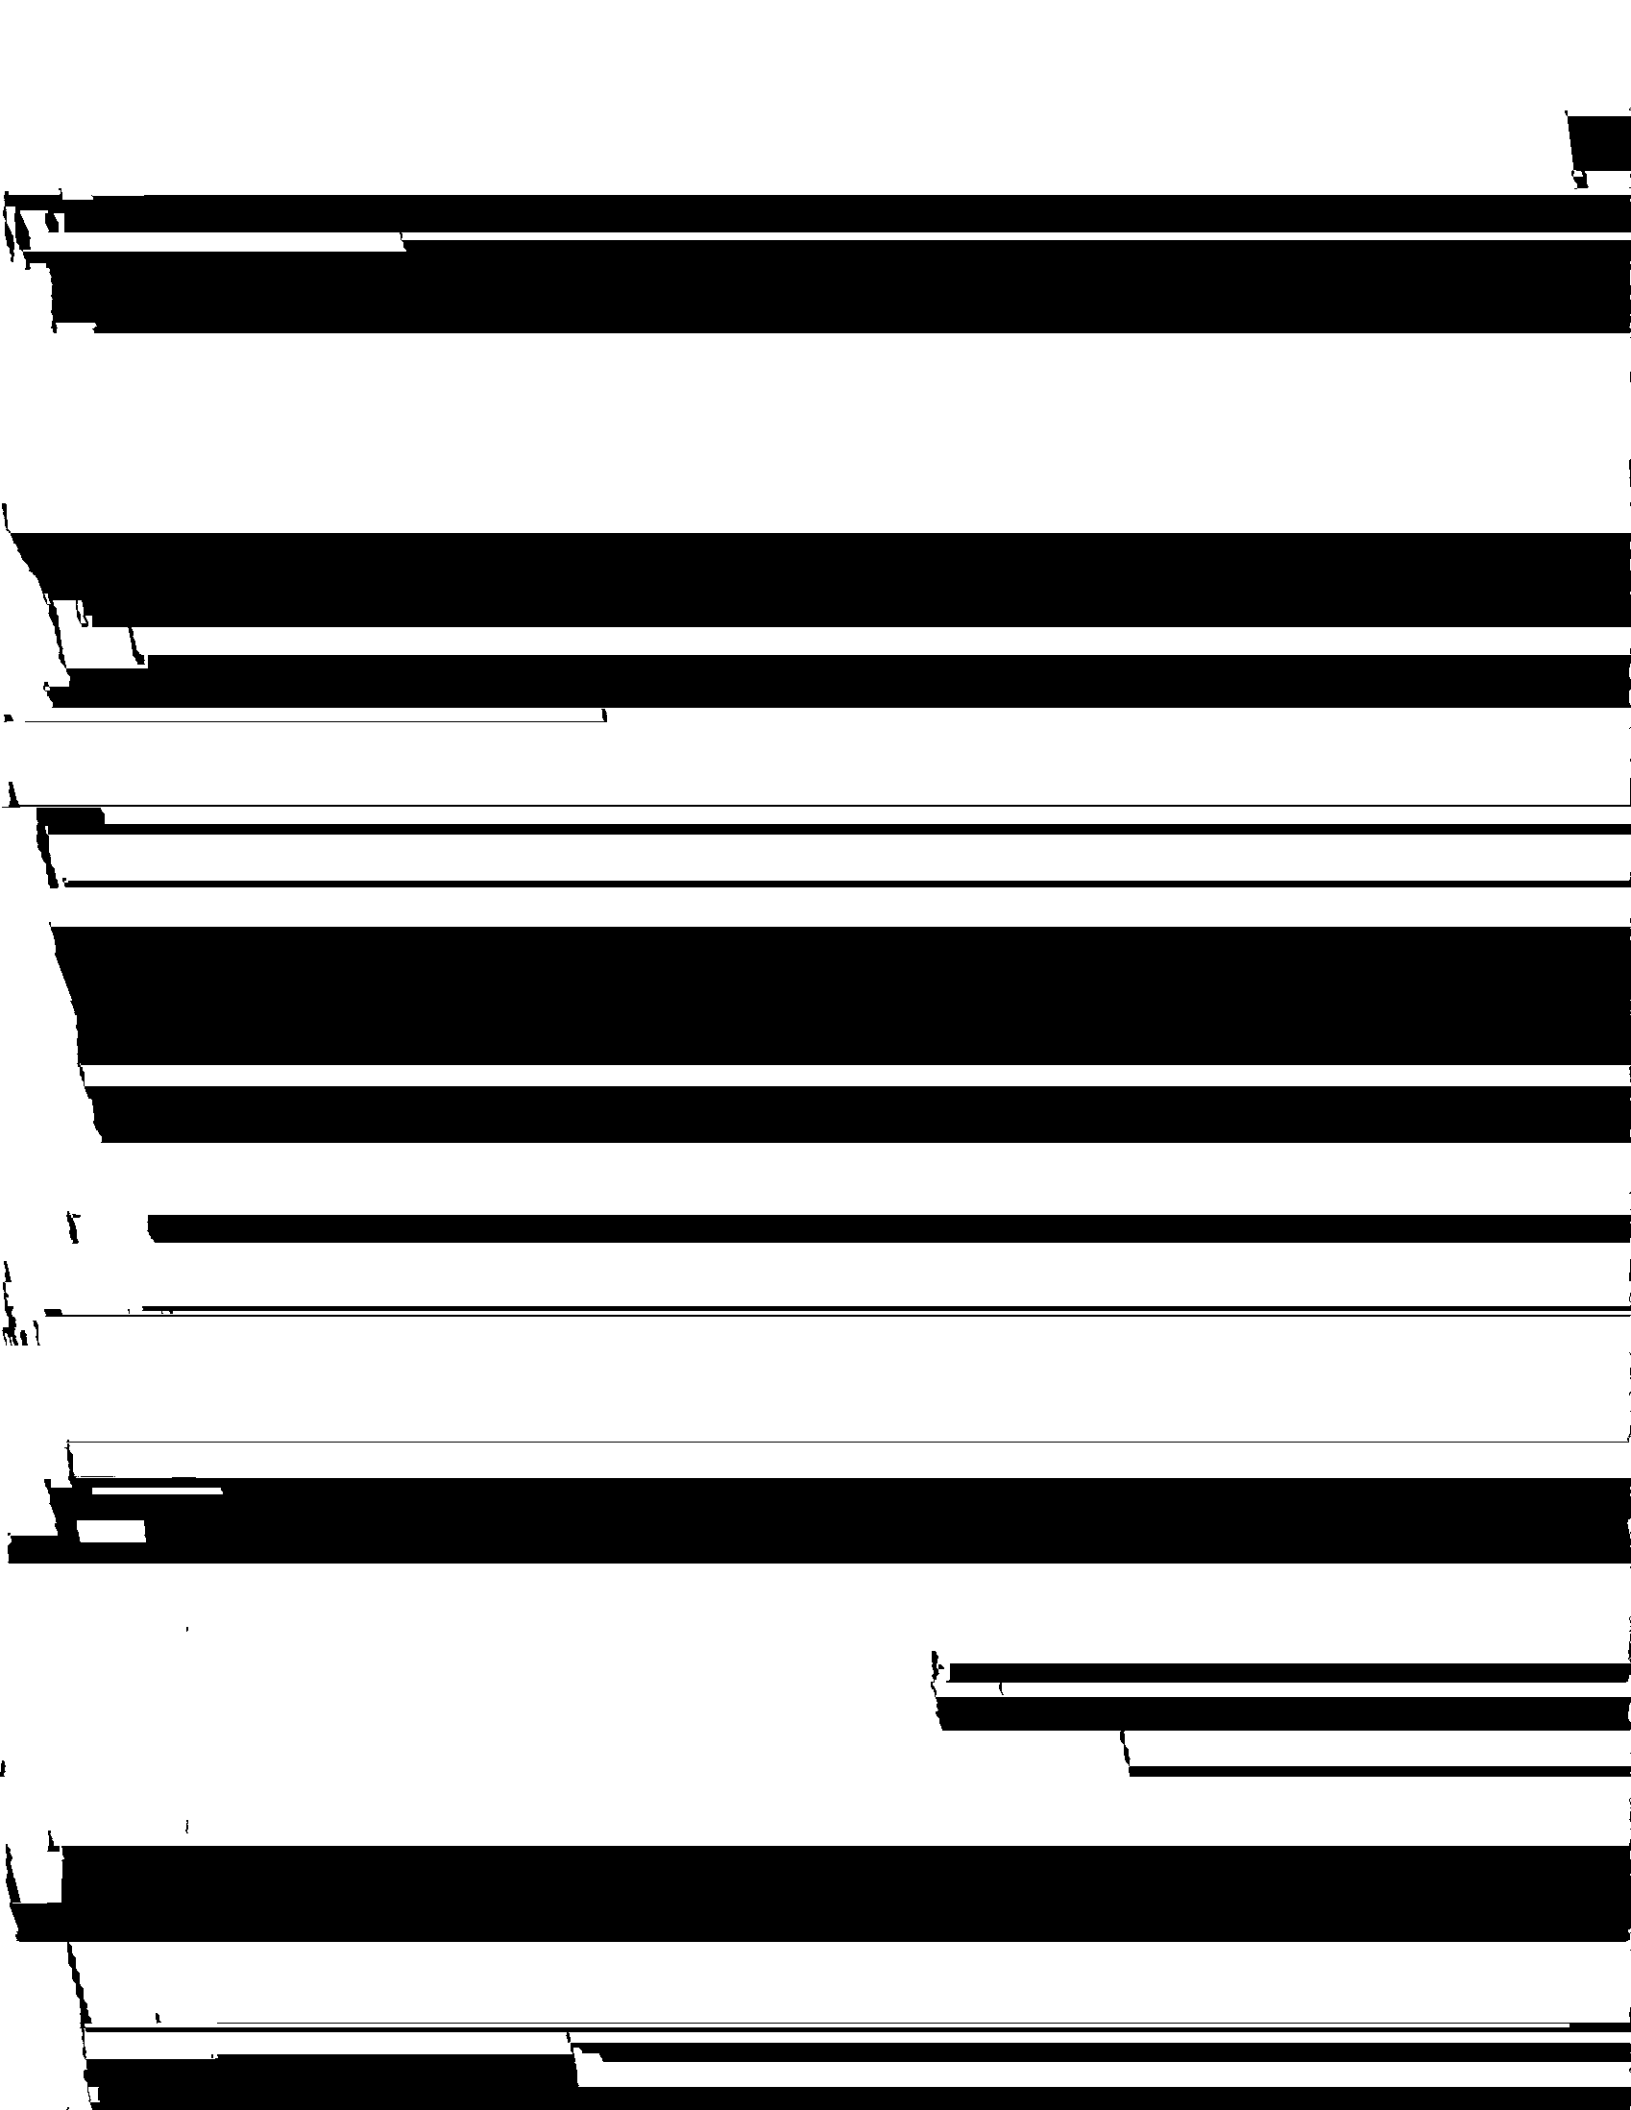

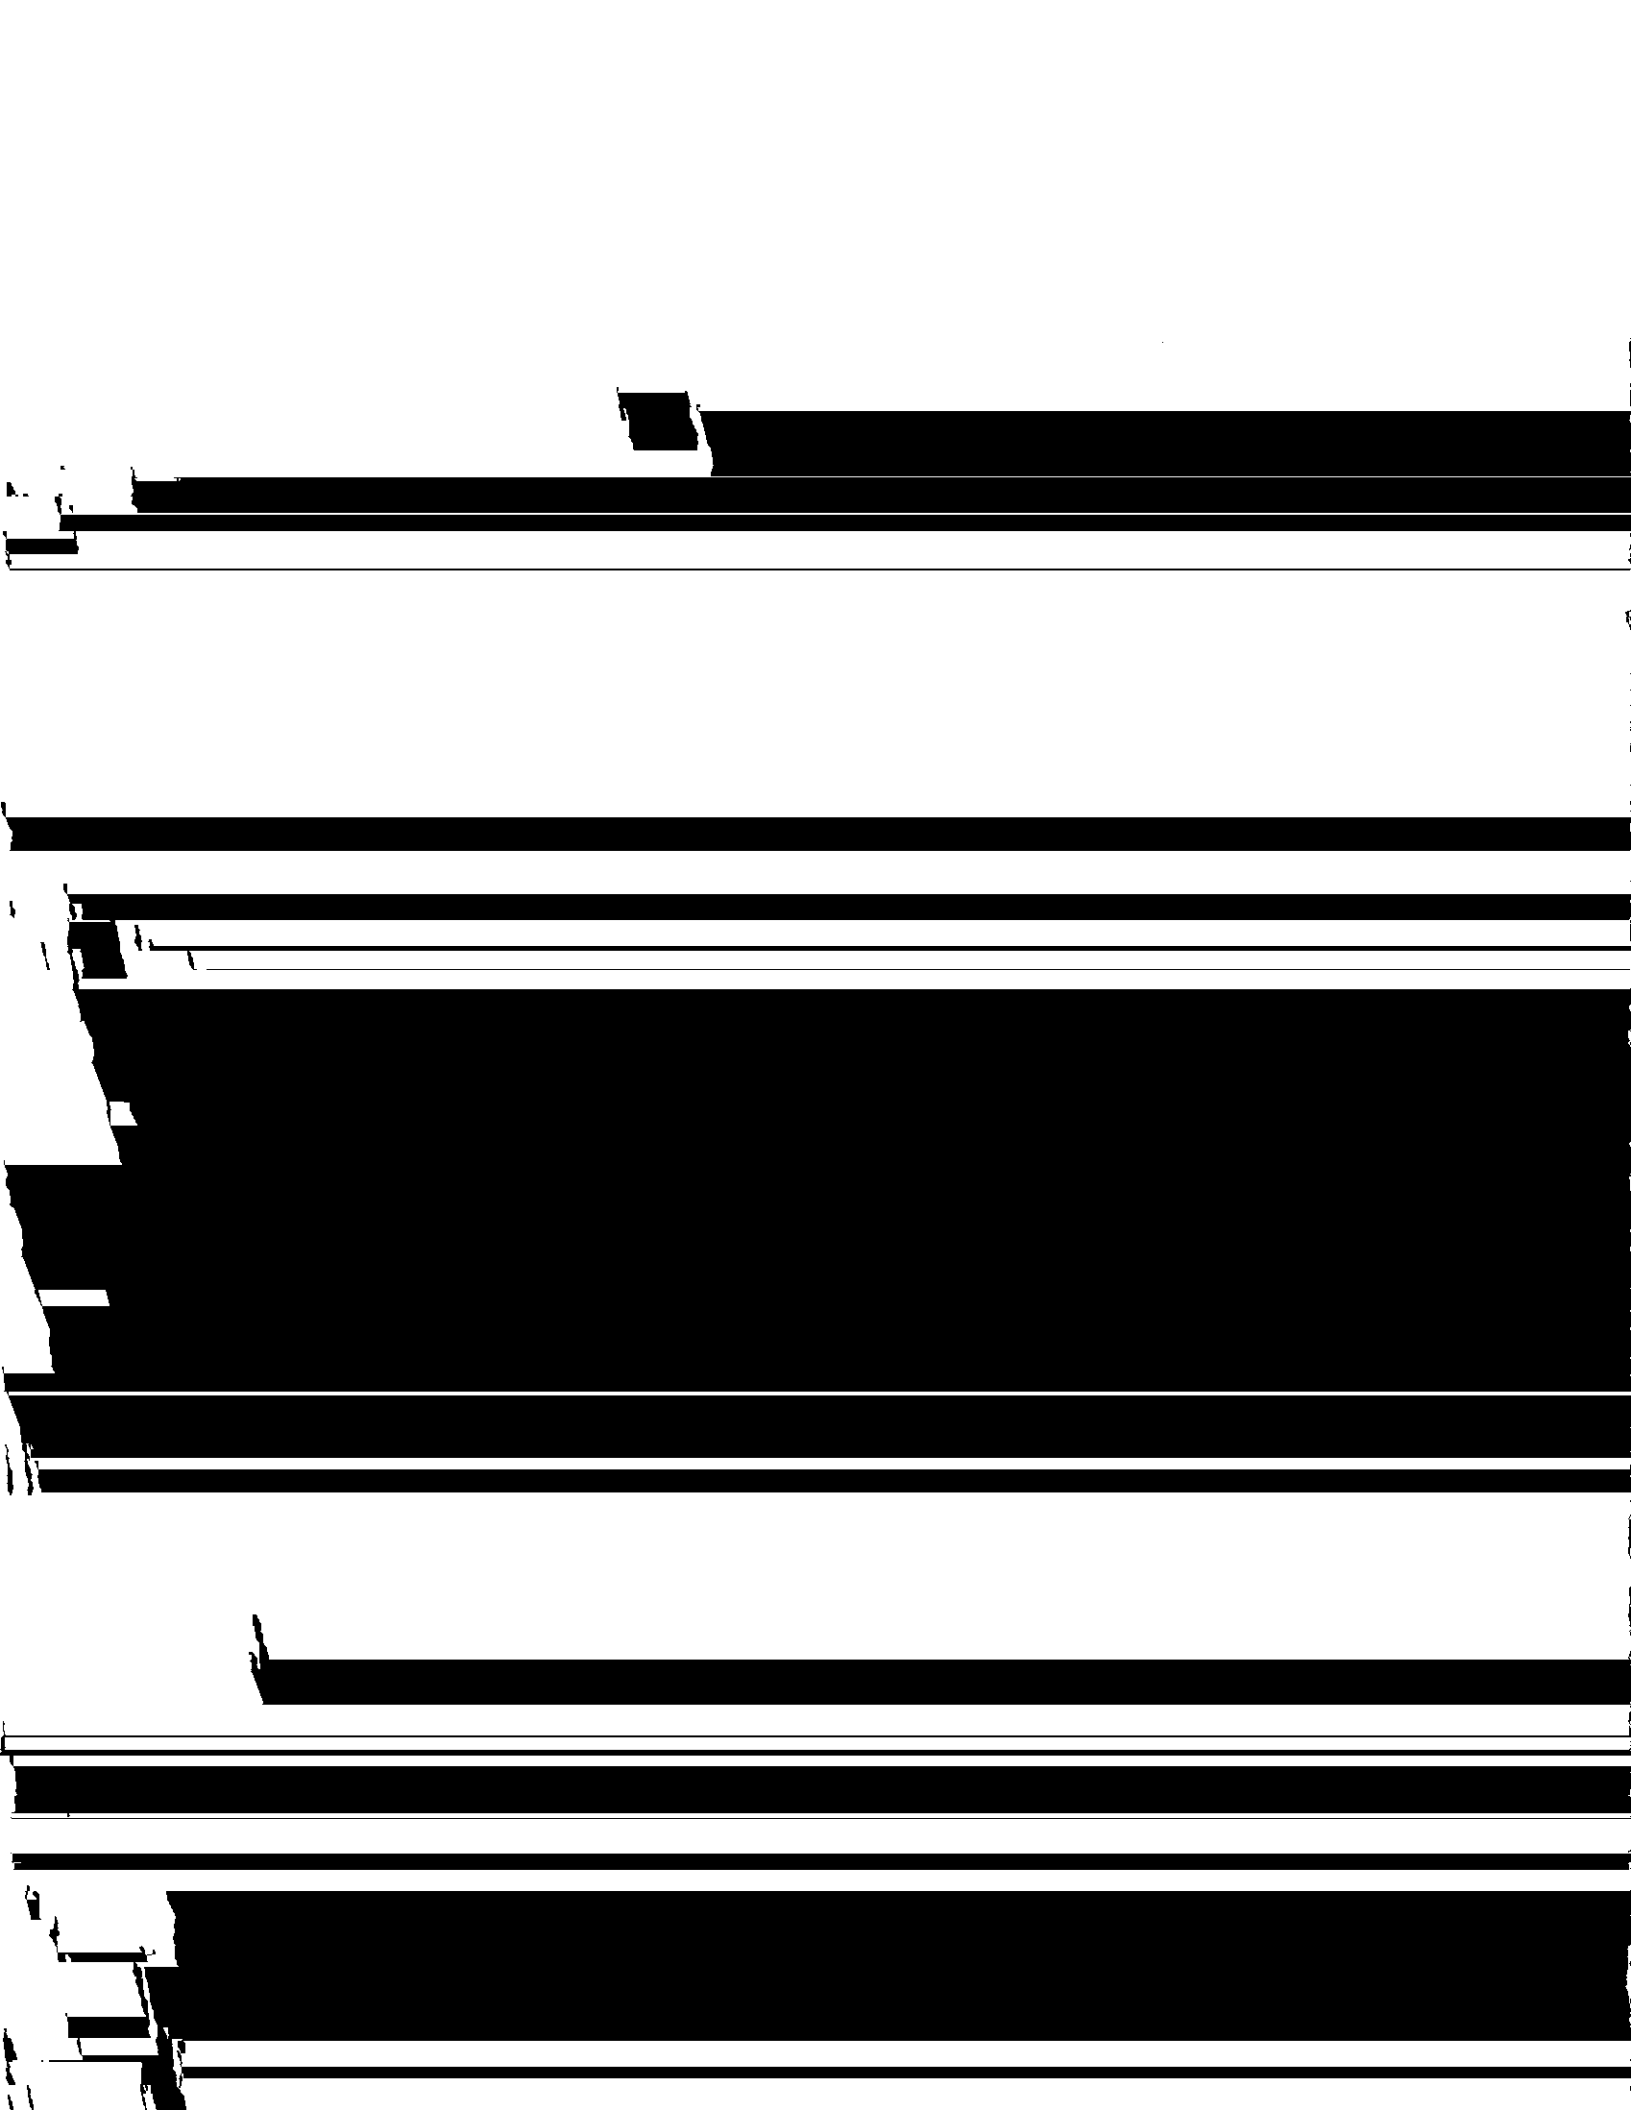

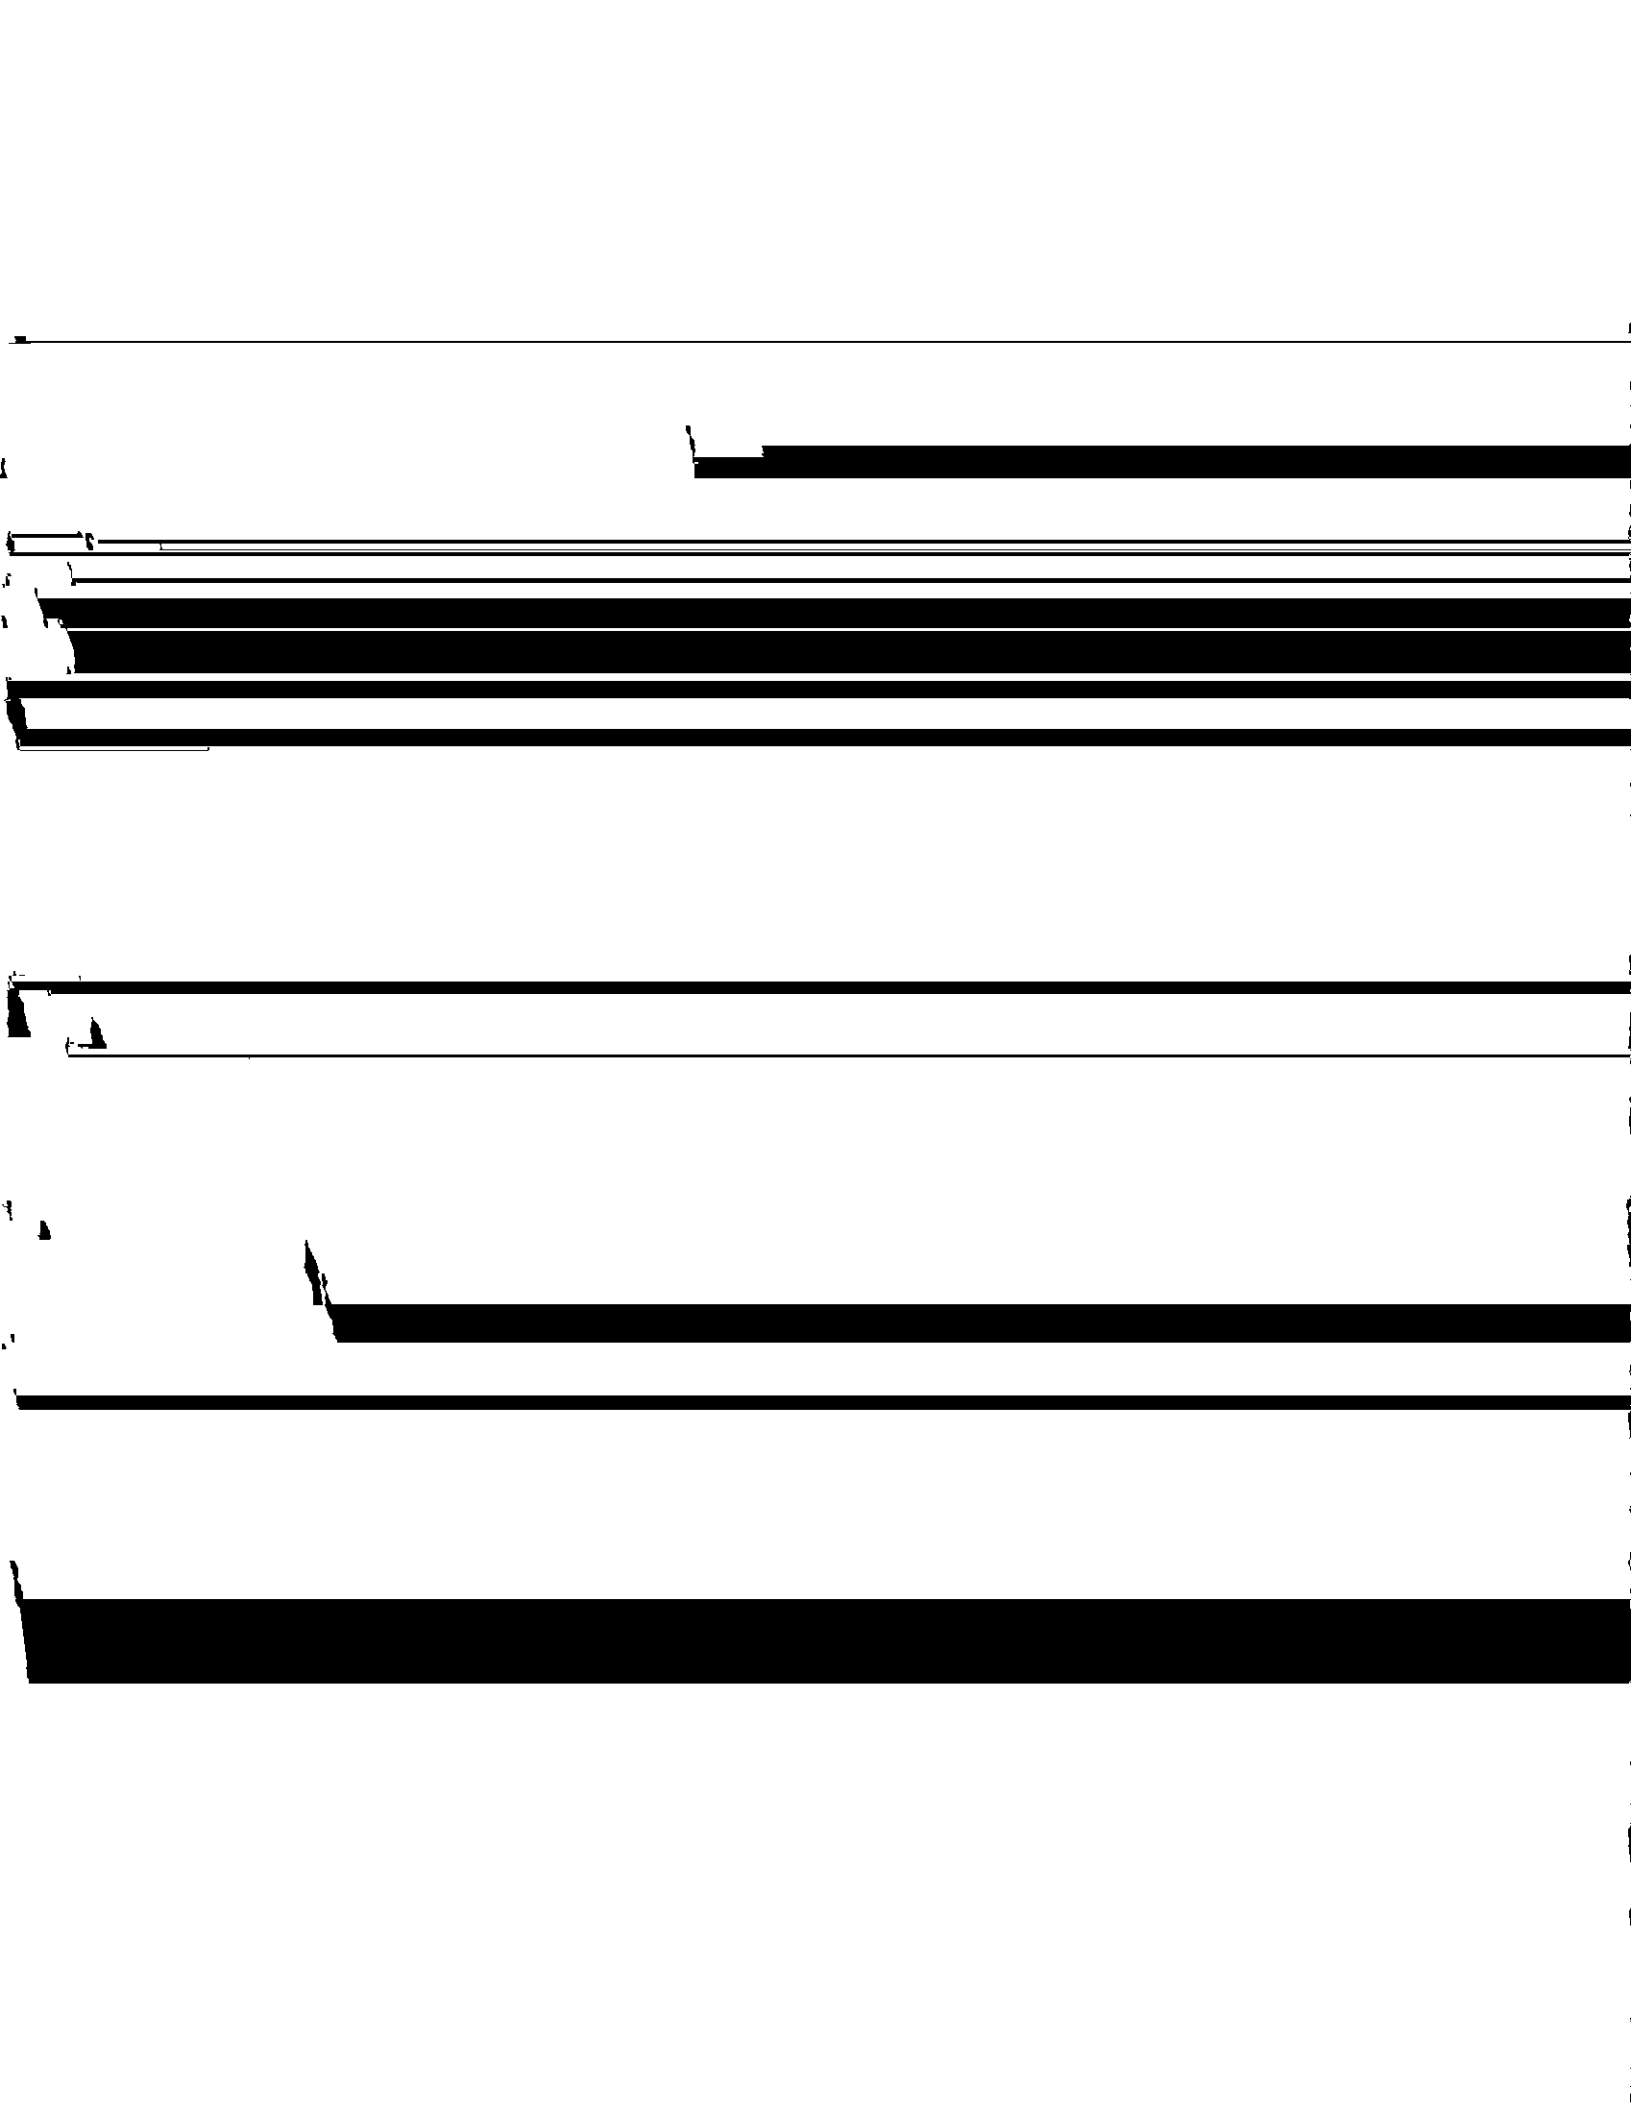

Figure 1 consists of two schematic diagrams, (a) and (b), illustrating the experimental setup. Diagram (a) shows a participant seated in a car seat, facing a steering wheel and a control panel. A monitor is positioned in front of the participant. Diagram (b) shows a similar setup, but with a dashed line indicating the path of the vehicle, suggesting a driving task. The participant is seated in a car seat, facing a steering wheel and a control panel. A monitor is positioned in front of the participant. The dashed line indicates the path of the vehicle, suggesting a driving task.
